

JOINT STANDING COMMITTEE

COMPRESSED NATURAL GAS VEHICLES

The Joint Standing Committee on Environment, Resources and Development has established terms of reference to inquire into and report upon the use of natural gas in Tasmania -

(b) as an alternative fuel source for residential and commercial buildings, with particular reference to –

- (1) options (including funding) for the conversion of residential and commercial buildings to natural gas; and
- (2) options for promoting increased public awareness of the benefits of using natural gas as an alternative energy source in domestic and commercial buildings.

The Committee invites written submissions (with 9 copies if practicable) and/or requests to present verbal evidence from interested individuals or organisations to be submitted to :

Mrs Sue McLeod
Clerk of Committees
Legislative Council
Parliament House
HOBART

Tel: (03) 62 336602 Fax: (03) 62 311849
