5. (1) Subject to this section -

(a) this Act applies to retirement villages, whether established before or after the commencement date and to the operators and residents of those villages; and

(b) this Act binds the Crown in right of the State of Tasmania and, so far as the legislative power of Parliament permits, in all its other capacities, but not so as to impose criminal liability on the Crown.

(2) Where no resident or prospective resident is required to pay an ingoing contribution, this Act does not apply to the retirement village unless the owner of the relevant land, by an application to the Recorder in an approved form and on payment of the prescribed fee, elects that this Act is to apply to the retirement village.

(3) The Anti-Discrimination Act 1998 does not apply to this Act or to a provision of a contract made for the purposes of this Act that relates to the age of a resident or his or her status as a retired person.

(4) This Act does not apply to any building or any part of a building in a retirement village that is used for the provision of residential care, within the meaning of the Aged Care Act 1997 of the Commonwealth, by an approved provider under that Act.
(5) If a provision of this Act is inconsistent with a provision of the Strata Titles Act 1998, the provision of this Act prevails to the extent of the inconsistency.
PART 2 - RIGHTS OF RESIDENTS

Creation of residence rights

6. (1) A residence contract is to be in writing and comply with the requirements specified in Schedule 1.

(2) Before a person enters into a residence contract, the operator must give to that person -

(a) a copy of the proposed residence contract in a form ready for execution; and

(b) a notice of the person's rights under this Act in accordance with Schedule 2; and

(c) a copy of the village rules required under section 19; and

(d) a check list in accordance with Schedule 3; and

(e) a copy of the accounts and estimates presented at the last annual general meeting of residents, including a written statement of any subsequent change in the affairs of the retirement village and the operator that may significantly affect the person's decision to occupy residential premises in the retirement village; and

(f) any other prescribed documents.

(3) If an operator is unable to comply with subsection (2)(e) because the retirement village was not operating at any time in the previous financial year, he or she must give to a person entering into a residence contract statements and information in accordance with section 12(5)(b), (c) and (d).
(4) A representation made by an employee or agent of an operator is taken to be a representation of the operator unless the operator proves that the employee or agent was not acting in the course of his or her employment or agency.

(5) If a residence contract is signed without provision of the documents referred to in subsection (2) or (3), termination of the contract does not render the resident or prospective resident liable to any financial penalty.

(6) Without limiting any right of rescission conferred by law, a resident or prospective resident is entitled to rescind the residence contract –

(a) at any time within 5 business days after the date of the contract; or

(b) on a contravention of subsection (2) or (3), within 5 business days after the day on which any of the documents required under that subsection is given to the resident or prospective resident.

(7) A contract may be rescinded under this section by notice in writing to the operator.

(8) If a provision of this section is contravened, the operator is guilty of an offence.

Penalty: Fine not exceeding 350 penalty units.

**Termination of residence rights**

7. (1) A resident of any residential premises has a right of occupation that may not be terminated unless –

(a) the resident dies; or
(b) the resident terminates the residence contract; or

(c) the resident ceases to reside in the retirement village in circumstances in which there is no reasonable prospect of him or her returning to reside in the retirement village; or

(d) the resident commits a serious breach of the residence contract or the village rules and the operator terminates the resident's right of occupation; or

(e) the residential premises become an unsuitable place of residence for the resident owing to the resident's mental or physical incapacity and the operator or resident terminates the resident's right of occupation on that ground as provided by subsection (3); or

(f) the holder of a mortgage or charge that was in existence at the commencement date becomes entitled to vacant possession of the residential premises under rights conferred by the mortgage or charge; or

(g) the resident and the operator agree on the termination.

(2) The rights of termination under subsection (1)(a), (b), (d) or (e) are subject to –

(a) any limitations or qualifications arising from a contract between the operator and the resident; and

(b) any rights of the resident deriving from the resident's ownership of an interest in any residential premises.
(3) If –

(a) a resident vacates the retirement village owing to mental or physical illness or incapacity, as certified by –

(i) an independent geriatrician or independent general medical practitioner who, in either case, is acceptable to both the resident and the operator; or

(ii) an Aged Care Assessment Team or any similar assessment group established to replace Aged Care Assessment Teams; and

(b) the resident desires, or needs, to move to another kind of accommodation which provides a higher level of care; and

(c) the resident must pay an amount in order to enter that accommodation; and

(d) the resident does not have ready access to funds of that amount, or the payment of that amount by the resident would have a serious effect on his or her personal finances; and

(e) the resident has paid an ingoing contribution to the operator; and

(f) the resident applies to the operator for repayment of the ingoing contribution –

(i) before he or she vacates the retirement village; or

(ii) within 10 business days after he or she vacates the retirement village –
the operator must, within 45 business days, repay to the resident so much of the ingoing contribution as the resident requires to enter into that accommodation, and the balance of the ingoing contribution is to be paid in accordance with section 11.

(4) A notice by the operator to terminate a resident's right of occupation is to be given to the resident but is of no effect unless it informs the resident-

(a) of the reason for the termination; and

(b) of any right of review provided by the village rules; and

(c) that the decision is subject to a right of review by the Director on application in accordance with Part 5.

(5) A notice by a resident to terminate a right of occupation is to be given to the operator and is to state the reason for the termination.

**Ingoing contributions**

8. (1) An ingoing contribution paid to an operator by any person is to be held in trust in an account of an authorised deposit-taking institution or in a form of investment in which trustees are authorised by law to invest trust money until-

(a) the resident enters into occupation of any residential premises; or

(b) it becomes apparent that the resident will not enter into occupation of any residential premises.
(2) If the resident does not enter into occupation of any residential premises, any question affecting an entitlement to, or disposition of, the ingoing contribution is to be determined by reference to the residence contract, subject to the following qualifications:

(a) if the resident’s failure to enter into occupation is attributable to a failure on the part of the operator to carry out contractual obligations, interest and accretions arising from investment of the ingoing contribution must be paid to the resident;

(b) in any other case, the operator is entitled to retain any such interest and accretions.

(3) Subsection (2) does not affect any entitlement to rescind a residence contract that a resident may have under section 6(6).

(4) If a provision of this section is contravened, the operator is guilty of an offence.

Penalty: Fine not exceeding 350 penalty units.

**Contractual rights of residents**

9. (1) A service contract may be enforced against the operator of a retirement village.

(2) Where an ingoing contribution is paid under a residence contract which provides that it will be repaid in whole or in part on the happening of a contingency and the contingency occurs, the resident or a person claiming under the residence contract may recover the amount that is repayable as a debt from the operator of the retirement village.
(3) An action does not lie against the owner of land in a retirement village for the enforcement of rights under subsection (1) or (2) unless—

(a) the owner is a party to the contract under which the ingoing contribution is repayable; or

(b) the owner is the sole operator of the retirement village; or

(c) an operator other than the owner has failed to satisfy a judgment given for the enforcement of those rights.

(4) The rights of a resident to repayment of an ingoing contribution, or part of an ingoing contribution, are a charge on land in the retirement village other than—

(a) any residential premises owned by a resident; or

(b) common property that is subject to a strata scheme.

(5) A charge referred to in subsection (4) may be enforced only with the approval of the Supreme Court and subject to any conditions that the Court thinks just and equitable.

(6) If the Supreme Court approves the enforcement of the charge, it may, subject to any conditions imposed by the Court, be enforced in the same way as a mortgage registered under the Land Titles Act 1980.

Arrangements if resident is absent or vacates

10. (1) Where a resident has given to the operator at least 30 days’ notice of any period during which he or she intends to be absent from the retirement village, the
resident is not liable to pay any amount for any personal service that the operator ceases to provide to the resident in the resident’s absence during that period.

(2) Where –

(a) a resident is absent from a retirement village for a continuous period of at least 30 days; and

(b) has not given notice as mentioned in subsection (1) –

the resident is not liable to pay, in respect of a period of absence after those 30 days, any amount for any personal service that the operator ceases to provide to the resident in the resident’s absence during that period.

(3) Where a resident vacates his or her residential premises in a retirement village, the resident ceases to be liable to pay any amount (other than an amount that has already accrued) in respect of any personal service that the operator ceases to provide to the resident after the resident vacates the residential premises.

(4) If the resident is entitled to the repayment (in whole or in part) of an ingoing contribution, the resident is not liable to pay any amount in respect of charges for personal service that may accrue after he or she has ceased to reside in the retirement village until the ingoing contribution is repaid, but the operator may then, at the time of repayment, deduct from the ingoing contribution any amount payable by the resident.

**Repayment of ingoing contribution**

11. (1) Where a resident dies or vacates his or her residential premises in a retirement village, the operator must –
(a) refund to the resident or the resident's personal representative any amount to which the resident is entitled within -

(i) 6 months after the resident dies; or

(ii) 6 months after the operator or resident receives notice of termination of the residence contract; or

(iii) 30 days after the resale or reoccupation of the resident's residential premises - whichever first occurs; and

(b) take all reasonable steps for resale or reoccupation of the residential premises.

Penalty: Fine not exceeding 350 penalty units.

(2) If, on application by the operator, the Director is satisfied that the refund required under subsection (1)(a)(i) or (ii) would cause serious financial hardship to the operator if paid within the required period of 6 months, the Director may extend that period for any further period that he or she thinks fit, either unconditionally or subject to any conditions considered appropriate in the circumstances of the case.

Meetings of residents

12. (1) The operator of a retirement village -

(8) The operator must ensure –

(a) that residents have a reasonable opportunity to put questions to the operator or his or her representative at a meeting of residents convened by the operator; and

(b) that questions submitted in writing under subsection (5)(e)(i), or asked at a meeting, are answered –

(i) if possible, in reasonable detail at the relevant meeting; or
(ii) to the extent that compliance with subparagraph (i) is not possible, as soon as reasonably practicable after the meeting by the presentation of detailed written answers.

(9) Nothing in this section requires an operator, or the representative of an operator, to answer an unreasonable question.

(10) Recurrent charges may not be increased beyond a level shown to be reasonable in view of the accounts for the previous financial year and the estimates for the current financial year, as explained at a meeting of residents under this section.

(11) If a levy is imposed on residents of a retirement village for any purpose not authorised by the village rules or a residence contract, the levy must be authorised by a special resolution passed at a meeting of residents.

(12) In the case of a retirement village managed by a body corporate for a strata scheme, a meeting under this section may be held in conjunction with a meeting of the body corporate as required under the Strata Titles Act 1998.

(13) If a requirement of this section is contravened, the operator is guilty of an offence.

Penalty: Fine not exceeding 200 penalty units.

(2) A person who is not a resident of the retirement village is not entitled to be a member of such a committee.

(1) It is taken to be a term of every agreement that may result in a change in the operator of a retirement village, including a change by virtue of the sale of an interest in the land within the village, that, before the change is effected, the person who is to be the new operator is to convene a meeting of residents at which the person or his or her representative will –

(b) answer any reasonable question put by a resident.

(2) A meeting is to be convened by sending to each resident, at least 10 business days before the date of the meeting, a written notice setting out –

This notice should state that you have decided to rescind the contract, and it must be delivered personally or posted. If you rescind a contract, you are entitled to a refund of any money paid by you under the contract. Before deciding to enter into a contract or to rescind a contract, you should read and consider carefully the rest of this notice and the documents you received with this notice, including the check list of questions relating to retirement villages generally and the rules binding residents at the abovementioned retirement village (“the village rules”).

2. RIGHTS UNDER THE RETIREMENT VILLAGES ACT 2003. The Retirement Villages Act 2003 sets out various rights you have if you enter into a residence contract, and these rights cannot be excluded by contract. Some of these statutory rights are briefly described below.
Sections 6 and 7 - The right to stay

As a resident at a retirement village, you have a right of occupation of premises that will continue during your lifetime unless it is terminated in accordance with the Act. The termination may be by agreement between you and the operator or, in certain circumstances, by the operator or by you acting alone. The Act offers some protection for your right of occupation of your premises. However, if the operator of the retirement village becomes insolvent, your right of occupation may be terminated by a mortgagee under a mortgage that was in existence at the date when the Act came into effect.

Sections 8 and 9 - Ingoing contributions and service contracts

You will be able to enforce your rights under a service contract, or for repayment of your ingoing contribution (i.e. the lump sum paid on entry into the retirement village), against the operator or the owner of the land used for the village.

Section 12 - Accounts information to be provided at annual general meeting

The operator of the retirement village must hold an annual general meeting of residents before 30 November in each year. At that meeting it must present accounts showing recurrent charges, and how the amount of those charges was spent, for the previous year and estimates of income from recurrent charges for the next year. Residents must have a reasonable opportunity to put questions. A levy can be imposed only if it is authorised by a special resolution, as defined in section 3 of the Act, at a residents’ meeting. A majority of three-quarters of the total number of the residents is required for this purpose.
Section 17(1) - Copies of village rules and other documents

You will be entitled to receive, on reasonable request, a copy of your contract, a copy of the village rules and a statement of the amount to which you will be entitled if you cease to reside at the retirement village. If the village rules are altered, an amended copy of the rules will be given to you.

Sections 26 and 31 - Unreasonable village rules

An unreasonable village rule may be void, i.e. of no effect. A dispute as to whether a rule is unreasonable may be taken to the Director of Consumer Affairs and Fair Trading.

Section 26 - Disputes

If a dispute arises between you and the operator of the retirement village, either party will be entitled to apply to the Director of Consumer Affairs and Fair Trading for resolution of the matter. However, you must first follow the procedures for resolving disputes that are provided in the village rules before you make an application to the Director.

3. RIGHTS UNDER THE CONTRACT. If you enter into a contract to become a resident of a retirement village, you will have various rights and duties under that contract in addition to the rights referred to above. You should read such a contract carefully and seek advice if you are uncertain as to the meaning or effect of any terms. You should also be certain that you understand the rights and liabilities that are set out in the documents you received with this notice.

IF YOU ARE UNCERTAIN AS TO ANY OF THE MATTERS SET OUT ABOVE, YOUR RIGHTS AND DUTIES UNDER CONTRACT OR THE PROVISIONS OF THE RETIREMENT VILLAGES ACT 2003, YOU SHOULD SEEK INDEPENDENT ADVICE FROM A SOLICITOR OR OTHER INDEPENDENT SOURCE.
IF, AFTER YOU BECOME A RESIDENT OF A RETIREMENT VILLAGE, YOU BELIEVE THAT ANY OF YOUR RIGHTS HAVE BEEN INFRINGED, YOU SHOULD FIRST APPROACH THE OPERATOR AND, IF YOU ARE STILL NOT SATISFIED, YOU SHOULD SEEK INDEPENDENT ADVICE OR APPLY TO THE DIRECTOR OF CONSUMER AFFAIRS AND FAIR TRADING IN ACCORDANCE WITH THE RETIREMENT VILLAGES ACT 2003.
