PART 2 – LIMITATION OF LIABILITY

Division 1 – Making, amendment and revocation of schemes

8. Preparation and approval of schemes

(1) An occupational association may prepare a scheme.

(2) The Council may, on the application of an occupational association, approve a scheme prepared under this section.

(c) inviting comments and submissions within a specified time, but not less than 28 days after publication of the notice.

10. Making of comments and submissions concerning schemes

Before deciding whether to approve a scheme, the Council must consider the following:

(h) the provisions contained in the proposed scheme or under statute for the making and determination of complaints and the imposition and enforcement of disciplinary measures against members of the occupational association concerned.

12. Public hearings

(1) The Council may conduct a public hearing concerning a scheme if the Council thinks it appropriate.

(2) A public hearing may be conducted in such manner as the Council determines.

13. Submission of schemes to Minister

(1) The Council may submit a scheme approved by it to the Minister.

(2) At the same time as the Council submits a scheme to the Minister, the Council is to provide the Minister with a summary of the Council’s reasons for approving the scheme.

(3) Paragraph (e) of item 2 of Schedule 1 to the Subordinate Legislation Act 1992 applies to a proposed scheme submitted to the Minister as if –

(a) the proposed scheme were proposed subordinate legislation; and
(b) the reference in that paragraph to any other subordinate legislation included a reference to any other existing or proposed scheme.

14. Gazettal, tabling and disallowance of schemes

(1) The Minister, after carrying out any consultation required under section 13(3), may authorise the publication in the *Gazette* of a scheme submitted to the Minister by the Council.

(2) Section 47(3)(c), (4), (5), (6) and (7) of the *Acts Interpretation Act 1931* applies to a scheme submitted to the Minister by the Council as if the scheme were regulations and notice of the making of the regulations had been published in the *Gazette* when the scheme was published in the *Gazette*.

(3) Section 7(4) and section 8 of the *Subordinate Legislation Committee Act 1969* apply to a scheme published in the *Gazette* under subsection (1) as if –

(a) the scheme were a regulation; and

(b) notice of the making of the regulation had been published in the *Gazette* when the scheme was published in the *Gazette*; and

(c) section 8(1)(ab) of that Act included a reference to compliance with the provisions of this Act.

(4) The Minister does not incur any liability for or in respect of a scheme in consequence of its
authorisation, commencement, continued operation, amendment or revocation.

15. Commencement of schemes

(1) A scheme published in the Gazette with the authorisation of the Minister commences –

(a) on such day 2 months or more after the date of its publication as may be specified in the scheme; or

(b) if no such day is specified, 2 months after the date of its publication.

(2) This section is subject to any order of the Supreme Court under section 16(2).

16. Challenges to schemes

(1) A person who is, or is reasonably likely to be, affected by a scheme published as referred to in section 14 may, at any time before the scheme commences, apply to the Supreme Court for an order that the scheme is void for want of compliance with this Act.

(2) The Court may, on or at any time after the making of the application, order that the commencement of the scheme be stayed until further order of the Court.

(3) The Court, in relation to an application, may –

(a) make an order that a scheme is void for want of compliance with this Act; or
(b) decline to make such an order; or

(c) give directions as to the things that are required to be done in order that a scheme, the commencement of which is stayed under this section, may commence; or

(d) make any other order it thinks fit.

17. Review of schemes

(1) The Minister may direct the Council to review the operation of a scheme and the Council must comply with any such direction.

(2) The Council may on its own initiative at any time review the operation of a scheme.

(3) A review may, but need not, be conducted in order to decide whether a scheme should be amended or revoked or whether a new scheme should be made.

(4) Without limiting subsection (2), the Council may review the operation of a scheme that relates to the members of an occupational association if the association proposes under section 30 an alteration in the standards applying in relation to an insurance policy or kind of insurance policy that would, in the opinion of the Council, result in less stringent standards.

(5) The Council may recover the cost of any review of a scheme under this section from the occupational association to whose members the scheme relates as a debt due to it from that occupational association.
18. Amendment of schemes

(1) An occupational association may prepare an amendment to a scheme that relates to its members.

(2) The Council may, on the application of an occupational association, approve an amendment to a scheme that relates to the members of the association.

(3) The Minister may direct an occupational association to prepare an amendment to a scheme if the Minister considers that the scheme no longer meets the objects of this Act.

(4) If the Minister directs an occupational association to prepare an amendment to a scheme under subsection (3), the association must do so within a reasonable time.

(5) If the Minister considers that the occupational association has not prepared an amendment to a scheme within a reasonable time, the Minister may revoke the scheme.

(6) If an amendment to a scheme is prepared by an occupational association as a result of a direction from the Minister, the occupational association must submit the amendment to the Council for approval and the Council, if it is satisfied that the amendment complies with this Act and the Minister’s direction, must approve the amendment.

(7) The provisions of sections 8, 9, 10, 11, 12, 13, 14, 15 and 16 apply, with any necessary modifications, to the amendment of a scheme as well as to the making of a scheme.
19. **Revocation of schemes**

(1) An occupational association may prepare the revocation of a scheme that relates to its members.

(2) The Council may, on the application of an occupational association, approve the revocation of a scheme that relates to the members of the association.

(3) The Council may, on its own initiative, at any time while a scheme remains in force, prepare and approve the revocation of the scheme if satisfied that the scheme no longer meets the objects of this Act.

**Division 2 – Contents of schemes**

20. **Persons to whom scheme applies**

(1) A scheme may provide that it applies to –

   (a) all persons within an occupational association; or

   (b) a specified class or specified classes of persons within an occupational association; or

   (c) specified occupational associations within a specified industry.

(2) A scheme may provide that the occupational association concerned may, on application by a person, exempt the person from the scheme.
(3) If a person is exempted from a scheme, the person is exempted from the whole of the scheme.

(4) A scheme ceases to apply to a person exempted from the scheme as referred to in subsection (2) –

   (a) on and from the date on which the exemption is granted; or

   (b) on and from a later date specified in the exemption.

(5) Subsection (2) does not apply to a person to whom a scheme applies by virtue of section 21, 22 or 23.

21. Officers or partners of persons to whom scheme applies

   (1) If a scheme applies to a body corporate, the scheme also applies to each officer of the body corporate.

   (2) If a scheme applies to a person, the scheme also applies to each partner of the person.

   (3) In this section –

      “officer” –

      (a) in relation to a body corporate that is a corporation within the meaning of the Corporations Act, has the same meaning as in section 9 of that Act; and
(b) in relation to a body corporate that is not a corporation within the meaning of that Act, means any person (by whatever name called) who is concerned in or takes part in the management of the body corporate.

22. Employees of persons to whom scheme applies

If a scheme applies to a person, the scheme also applies to each employee of the person.

23. Other persons to whom scheme applies

If persons are prescribed by the regulations for the purposes of section 32(4) as being associated with persons to whom a scheme applies, the scheme also applies to the prescribed persons.

24. Limitation of liability by insurance arrangements

A scheme may provide that, if a person to whom the scheme applies and against whom a proceeding relating to occupational liability is brought is able to satisfy the court that the person has the benefit of an insurance policy –

(a) that insures the person against that occupational liability; and

(b) under which the amount payable in respect of the occupational liability relating to the cause of action (including any amount payable by the person by
way of excess under or in relation to the policy) is not less than the amount of the monetary ceiling specified in the scheme in relation to the class of person and the kind of work to which the cause of action relates at the time at which the act or omission giving rise to the cause of action occurred –

the person is not liable in damages in relation to that cause of action above the amount of the monetary ceiling so specified.

25. Limitation of liability by reference to amount of business assets

A scheme may provide that, if a person to whom the scheme applies and against whom a proceeding relating to occupational liability is brought is able to satisfy the court –

(a) that the person has business assets the net current market value of which is not less than the amount of the monetary ceiling specified in the scheme in relation to the class of person and the kind of work to which the cause of action relates at the time at which the act or omission giving rise to the cause of action occurred; or

(b) that –

(i) the person has business assets and the benefit of an insurance policy that insures the person against that occupational liability; and
(ii) the net current market value of the business assets and the amount payable under the insurance policy in respect of the occupational liability relating to the cause of action (including any amount payable by the person by way of excess under or in relation to the policy), if combined, would total an amount that is not less than the amount of the monetary ceiling specified in the scheme in relation to the class of person and the kind of work to which the cause of action relates at the time at which the act or omission giving rise to the cause of action occurred –

the person is not liable in damages in relation to that cause of action above the amount of the monetary ceiling so specified.

26. **Limitation of liability by multiple of charges**

(1) A scheme may provide that, if a person to whom the scheme applies and against whom a proceeding relating to occupational liability is brought is able to satisfy the court –

(a) that the person has the benefit of an insurance policy –

   (i) that insures the person against that occupational liability; and

   (ii) under which the amount payable in respect of the occupational
liability relating to the cause of action (including any amount payable by the person by way of excess under or in relation to the policy) is not less than an amount (the “limitation amount”), being a reasonable charge for the services provided by the person, or which the person failed to provide, and to which the cause of action relates, multiplied by the multiple specified in the scheme in relation to the class of person and the kind of work to which the cause of action relates at the time at which the act or omission giving rise to the cause of action occurred; or

(b) that the person has business assets the net current market value of which is not less than the limitation amount; or

(c) that –

(i) the person has business assets and the benefit of an insurance policy that insures the person against that occupational liability; and

(ii) the net current market value of the assets and the amount payable under the insurance policy in respect of the occupational liability relating to the cause of action (including any amount payable by the person by way of excess under or in relation to the policy), if combined, would total
an amount that is not less than the limitation amount –

the person is not liable in damages in relation to that cause of action above the limitation amount or, if the scheme specifies a minimum cap determined by the Council for the purposes of the scheme that is higher than the limitation amount, above the amount of the minimum cap so specified.

(2) In determining the amount of a reasonable charge for the purposes of a provision made under subsection (1), a court is to have regard to any amount actually charged and to –

(a) the amount that would ordinarily be charged in accordance with a scale of charges accepted by the occupational association of which the person is a member; or

(b) if there is no such scale, the amount that a competent person of the same qualifications and experience as the person would be likely to charge in the same circumstances.

(3) This section does not limit an amount of damages to which a person is liable if the amount is less than the amount specified for the purpose in the scheme in relation to the class of person and the kind of work concerned.

27. **Specification of different limits of liability**

A scheme –
(a) may specify the same maximum amount of liability in relation to all cases to which the scheme applies or different maximum amounts of liability for different cases or classes of case, or for the same case or class of case for different purposes; and

(b) may confer a discretionary authority on an occupational association, on application by a person to whom the scheme applies, to specify in relation to the person a higher maximum amount of liability than would otherwise apply under the scheme in relation to the person either in all cases or a specified class of case; and

(c) must provide that an occupational association, on application in a particular case by a person to whom the scheme applies, is to approve a higher maximum liability nominated by that person than would otherwise apply under the scheme.

28. Combination of provisions under sections 24, 25 and 26

If, in a scheme, provisions of the kind referred to in section 26 and provisions of the kind referred to in section 24 or 25 (or both) apply to a person at the same time in respect of the same kind of work, the scheme must provide that the damages which may be awarded against the person are to be determined in accordance with section 26 but must not exceed the amount of the monetary ceiling specified in relation to the class of person
and the kind of work in the provisions of the kind referred to in section 24 or 25.

29. **Liability that cannot be limited by scheme**

A scheme can only affect the liability for damages arising from a single cause of action to the extent to which the liability results in damages exceeding such amount (but not less than $500 000) as is specified in the scheme.

30. **Insurance to be of requisite standard**

(1) For the purposes of a scheme, an insurance policy must be a policy, or a policy of a kind, which complies with standards determined by the occupational association whose members may be insured under such a policy, or a policy of such a kind.

(2) While a scheme remains in force relating to its members, if an occupational association proposes to alter the standards previously determined by it in relation to an insurance policy or a kind of insurance policy, it must do so by way of an amendment to the scheme in accordance with the provisions of section 18.

**Division 3 – Effect of schemes**

31. **Limit of occupational liability by schemes**

(1) To the extent provided by this Act and the provisions of the scheme, a scheme limits the occupational liability, in respect of a cause of
action founded on an act or omission occurring during the period when the scheme is in force, of any person to whom the scheme applied at the time when the act or omission occurred.

(2) A scheme does not limit the liability of a person (the “professional”) to another person (the “client”) if, at no stage before the time of the relevant act or omission, did the professional –

(a) give, or cause to be given, to the client a document that carried a statement of a kind referred to in section 36(1); or

(b) otherwise inform the client, whether orally or in writing, that the professional’s liability was limited in accordance with this Part.

(3) Subsection (2) does not affect any limitation of the liability of a professional to a person other than the client.

(4) The applicable limitation of liability is the limitation specified by the scheme as in force at the time of the relevant act or omission.

(5) A limitation of liability that, in accordance with this section, applies in respect of an act or omission continues to apply to every cause of action founded on it, irrespective of when the cause of action arises or proceedings are brought in respect of it, and even if the scheme has been amended or has, in accordance with section 35, ceased to be in force.

(6) A person to whom a scheme applies cannot choose not to be subject to the scheme, except in
accordance with provisions included in the scheme under section 20(2).

32. Limitation of amount of damages

(1) A limitation imposed by a scheme in force under this Act of an amount of damages is a limitation of the amount of damages that may be awarded for a single claim and is not a limitation of the amount of damages that may be awarded for all claims arising out of a single event.

(2) Separate claims by two or more persons who have a joint interest in a cause of action founded on the same act or omission are to be treated as a single claim for the purposes of this Act.

(3) Two or more claims of the same type by the same person arising out of a single event against persons to whom a scheme in force under this Act applies and who are associated persons are to be treated as a single claim for the purposes of this Act.

(4) Persons are associated if they are –

   (a) officers of the same body corporate (within the meaning of section 21); or

   (b) partners, employees of the same employer or in the relationship of employer and employee; or

   (c) persons who are prescribed by the regulations for the purposes of this subsection.
33. **Effect of scheme on other parties to proceedings**

A scheme does not limit the liability of a person who is a party to proceedings if the scheme does not apply to the person.

34. **Proceedings to which scheme applies**

Subject to section 5(3), a scheme in force under this Act applies to proceedings relating to an act or omission that occurred after the commencement of that scheme.

35. **Duration of scheme**

   (1) A scheme remains in force for such period (not exceeding 5 years) from its commencement as is set out in the scheme unless, before the end of the period so determined –

      (a) it is revoked; or

      (b) its operation is extended by notice under this section; or

      (c) its operation ceases because of the operation of another Act.

   (2) The Minister may, by notice published in the *Gazette* on or before the day when the original period ends, extend the period for which a scheme is in force.

   (3) Only one extension may be effected under subsection (2) in respect of any particular scheme, and the maximum period of such an extension is 12 months.
36. Notification of limitation of liability

(1) If the occupational liability of a person is limited in accordance with this Part, the person must ensure that all documents (other than business cards) given, or caused to be given, by the person to a client or prospective client that promote or advertise the person or the person’s occupation, including official correspondence ordinarily used by the person in the performance of the person’s occupation and similar documents, carry a statement indicating that the person’s liability is so limited.

Penalty: Fine not exceeding 50 penalty units.

(2) The regulations may prescribe a form of statement for the purposes of this section.

(3) A person does not commit an offence against subsection (1) if the statement carried on the person’s documents is in the prescribed form.

(4) If the occupational liability of a person is limited in accordance with this Part, the person must ensure that a copy of the scheme concerned is given, or caused to be given, to any client or prospective client who requests a copy.

Penalty: Fine not exceeding 50 penalty units.
PART 3 – COMPULSORY INSURANCE

37. Occupational association may compel its members to insure

(1) An occupational association may require its members to hold insurance against occupational liability and, if it does so, the requirement must be stated in the scheme.

(2) Such a requirement may be imposed as a condition of membership or otherwise.

(3) The occupational association may set the standards with which the insurance must comply.

(4) The occupational association may specify different standards of insurance for different classes of members.

38. Monitoring claims

(1) An occupational association may establish a claims committee for monitoring and analysing claims made against its members for occupational liability or 2 or more occupational associations may establish a common committee for that purpose.

(2) It is not necessary for all the committee members to be members of the occupational association or associations concerned.

(3) An occupational association may, through such a committee or otherwise, issue practice advice to
its members with a view to minimising claims for occupational liability.

(4) A committee may request an insurer to give it any information or a copy of any document that the committee considers will assist it in carrying out its functions.
PART 4 – PROFESSIONAL STANDARDS AND RISK MANAGEMENT

39. Risk management strategies

(1) If, under section 8, an occupational association seeks the approval of the Council to a scheme, it must furnish the Council with –

(a) a detailed list of the occupational standards and risk management strategies intended to be implemented in respect of its members; and

(b) the means by which those strategies are intended to be implemented.

(2) The means of implementation may be imposed as a condition of membership of the occupational association or otherwise.

(3) The strategies are to apply in addition to other statutory requirements and must not be inconsistent with them.

40. Reporting

(1) An occupational association must provide information to the Council concerning its occupational standards and risk management strategies if requested to do so by the Council.

(2) An occupational association must provide an annual report to the Council and, if requested by the Minister, to the Minister as to the implementation and monitoring of its risk management strategies, the effect of those
strategies and any changes made or proposed to be made to them.

(3) An occupational association’s annual report must include details of any findings made, or conclusions drawn, by a committee established by it (whether solely or jointly with another association or 2 or more other associations) under section 38.

(4) The occupational association’s annual report is to be incorporated into the Council’s annual report in such form as the Council determines.

41. Compliance audits

(1) An audit (a “compliance audit”) of the compliance of members, or of specified members or a specified class or classes of members, of an occupational association with the association’s occupational standards and risk management strategies –

   (a) may be conducted at any time by the Council or the association; and

   (b) must be conducted by the association if requested to do so by the Council.

(2) If a compliance audit is conducted by the Council –

   (a) the occupational association must give, and ensure that its members give, the Council any information or a copy of any document that the Council reasonably requests in connection with the conduct of the audit; and

33
(b) the Council must provide a copy of a report of the audit to the association and, if requested by the Minister, to the Minister; and

(c) the Council may recover the costs of the compliance audit from the occupational association.

(3) If a compliance audit is conducted by the occupational association, it must provide a copy of a report of the audit to the Council and, if requested by the Minister, to the Minister.
PART 5 – COMPLAINTS AND DISCIPLINARY MATTERS

42. Occupational Associations (Complaints and Discipline) Code

(1) A scheme may adopt the provisions of the Model Code set out in Schedule 1 with such additions, omissions or other modifications (if any) as may be approved by the Council.

(2) To the extent to which the provisions of the Model Code are covered by statutory provisions, a scheme is not required to adopt those provisions in the Code.

(3) The modifications may include provisions relating to the making and determination of complaints and the imposition and enforcement of disciplinary measures against members of an occupational association, including (but not limited to) the following:

(a) the establishment of committees for the purpose of implementing the Model Code or any of its provisions;

(b) the procedure at meetings of any such committee;

(c) whether any such committee may administer an oath;

(d) the application or exclusion of the rules of, and practice relating to, evidence;

(e) the grounds on which a complaint may be made;
(f) the verification of complaints by statutory declaration;

(g) the suspension of members from membership or from practice;

(h) the imposition of fines;

(i) the making of appeals;
