Thank you, Tasmania.

We're overwhelmed by your support.

The Australian Labor Party, the Liberal Party, the Tasmanian Greens, members of the Tasmanian Legislative Council and Federal Government members thank all the generous Tasmanians who have donated clothing to our parliamentary offices for those who have lost everything in the Victorian bushfires.

We would like to advise that this appeal is now closed. Tasmanians who wish to further contribute to the relief effort are encouraged to direct cash donations to their local APEX, Lions or Rotary clubs.
