2 Hearing Awareness Week: Adjourned Debate on the Question proposed on Wednesday, 27 August 2014 by Ms *Courtney*—That the House:—

- (1) Notes that 24 – 30 August 2014 is Hearing Awareness Week.
- (2) Further notes that hearing loss can be caused by hereditary conditions, infectious disease, prolonged exposure to excessive noise or the effects of aging and that less than 20% of the people who could benefit from wearing a hearing aid wear one. One in six Australians is affected by hearing loss which is an estimated 3.5 million people.
- (3) Urges Tasmanians who are concerned about their hearing to have a hearing test.
- (4) Thanks those people and organisations that are involved in Hearing Awareness Week, which will see a range of promotional activities happen across the country, including ‘silent’ sports events, public exhibitions on hearing technologies, and hearing safety training by employers to alert people to the issues. (Next Speaker: Mr *Shelton*)

5 Buy Local: Adjourned Debate on the Question proposed on Wednesday, 25 March 2015 by Ms *Ogilvie*—That the House:—

- (1) Notes that the Liberal Government’s promise to Buy Local is nothing more than a cruel joke.
- (2) Recognises that the promise has been broken in a litany of ways including:—
 - (a) sending \$4 million worth of training funding to interstate companies;
 - (b) awarding \$2.5 million to a multinational firm to provide the TasTAFE student management information technology system;
 - (c) providing a \$420,000 contract for debt collection services for all units of the Department of Health and Human Services to a Victorian company when two of the five firms who put in tenders were from Tasmania;
 - (d) awarding a contract valued at \$360,000 for car parking at the North West Regional Hospital to Victoria when two of the three firms that made bids for this job were Tasmanian;
 - (e) giving a \$105,000 contract for upgrading the asbestos register to New South Wales when seven of the 11 companies who tendered for this were Tasmanian;
 - (f) gifting more than \$330,000 to a New South Wales company to make jackets and raincoats for our police;
 - (g) awarding a Victorian company almost \$600,000 in information technology funding to build an asset management system for the Parks and Wildlife Service, despite receiving four bids from Tasmanian companies; and
 - (h) overlooking a Tasmanian company to undertake \$1.5 million worth of pavement marking and instead giving this work to a Victorian firm.
- (3) Further notes that these examples alone add up to nearly \$10 million worth of work that has gone interstate, in direct contradiction to the Liberal Party’s promises.
- (4) Calls on the Liberal Government to reintroduce its own Bill “Supporting Local Business and Jobs (Local Benefits Test) Bill 2011” to prove that its commitment to buying locally is more than just a hollow slogan.

6 China-Australia Free Trade Agreement: Adjourned Debate on the Question proposed on Wednesday, 16 September 2015 by the Minister for State Growth—That the House:—

 - (c) Tasmania's resources sector will benefit from China removing all tariffs on resources, making our miners more competitive;
 - (d) tariffs on manufactured goods including, textiles, clothing and footwear will be removed;
 - (e) education service exporters will benefit as well, with agreement to progressively liberalise measures affecting trade in services;
 - (f) tariffs on whiskey will also be lifted; and
 - (g) with the Chinese market importing \$119 million of Tasmanian produce in 2014, this is positive news for Tasmania producers.

- (1) Notes that:—
 - (a) small businesses make a vital contribution to the successful Tasmanian economy and community;
 - (b) in addition to being a major contributor to the economy in terms of output, employment and the overall number of businesses, the small business sector in Tasmania is generally self-reliant, innovative, responsive and entrepreneurial by nature; and
 - (c) Tasmania has around 37,000 small businesses, employing over 100,000 Tasmanians and that these businesses are the lifeblood of our communities, particularly in rural and regional areas, with two fifths of Tasmania's small businesses located in regional areas.
