## **Notices of Motion**

- 53** The Minister for Energy to move—That the House:—
- (1) Notes that mining and minerals processing is a key economic pillar in Tasmania, employing more than 6,300 people and accounting for over 50 per cent of our exports in 2016-17, or more than \$1.5 billion a year.
  - (2) Further notes that the 2018-19 Budget includes \$2 million for the new Exploration Drilling Grant Initiative to expand the real and potential mining base industry in Tasmania through supporting increased ‘greenfield’ mineral exploration.
  - (3) Acknowledges that this commitment sits alongside ongoing programs including the Government’s:—
    - (a) \$1.4 million Geoscience Initiative, which aims to provide geoscientific data, that will underpin the industry’s future;
    - (b) \$1 million Mining Sector Innovation Initiative, which will see exciting new technologies, solutions to mine rehabilitation and other cutting edge projects explored; and
    - (c) continued funding for the Mineral Exploration Investment Attraction Plan, which promotes mining and exploration in Tasmania to a national and international market.
  - (4) Further notes that there is no better friend of the mining and minerals processing than the Hodgman Liberal Government. (21 June 2018)
- 54** The Minister for Veterans Affairs to move—That the House:—
- (1) Recognises that Sunday, 1 July 2018 is Reserve Forces Day, an annual commemoration of the value of Reserve service to the nation.
  - (2) Notes that 2018 will be the 21st year this event has been held since 1998, with thousands of former and serving reservists now participating in parades across the nation.
  - (3) Acknowledges that the theme for the 2018 Reserve Forces Day in Hobart is Tasmania’s contribution to the Western Front and the Desert Campaign in 1928, in particular the leadership of Tasmanian born, Major General Sir John Gellibrand.
  - (4) Further notes that reserve forces have played a key role in Australia’s defence over the years with militia – the pre-cursor of today’s Reserves – forming the backbone of the Australian Naval and Military Expeditionary Force (ANMEF), the first Australian forces deployed overseas during World War 1, and also of the famous Australian Imperial Force (AIF) that fought with such distinction and courage through Gallipoli and the Middle East and on the Western Front.
  - (5) Honours the 1.25 million Australians who have served with Reserve forces over the years.

## NOTICES OF MOTION AND ORDERS

- (6) Thanks all those who volunteer their time and effort with the Reserve Forces Day Council, both in Tasmania and nationally, to ensure that the service and sacrifice of our Reservists is appropriately commemorated and remembered. (21 June 2018)

- (7) Further acknowledges that the finale of the carnival will be the curtain raiser to the Hawthorn v Gold Coast match on Saturday 23 June 2018 – a wonderful opportunity to promote the importance and significance of this Carnival to people living with disability.
