## **Notices of Motion**

- 59** The Minister for Aboriginal Affairs to move—That the House notes:—
- (1) 8-15 July is NAIDOC Week 2018, a week to celebrate the history, culture and achievements of Aboriginal and Torres Strait Islander peoples, which is celebrated by all Australians and is a great opportunity to learn more about Aboriginal and Torres Strait Islander communities.
  - (2) This year's theme – 'Because of Her, We Can!', acknowledges that Aboriginal and Torres Strait Islander women are pillars of our society that have played – and continue to play - active and significant roles at the community, local, state and national levels, as leaders, trailblazers, politicians, activists and social change advocates.
  - (3) Aboriginal and Torres Strait Islander women continue to influence as doctors, lawyers, teachers, electricians, chefs, nurses, architects, rangers, emergency and defence personnel, writers, volunteers, chief executive officers, actors, singer songwriters, journalists, entrepreneurs, media personalities, board members, accountants, academics, sporting icons and Olympians - the list goes on.
  - (4) For over 40,000 years in Tasmania, Aboriginal women have carried their dreaming stories, song lines, languages and knowledge that have kept their culture strong and enriched us as the oldest continuing culture on the planet.
  - (5) The Tasmanian Aboriginal community celebrates NAIDOC Week through numerous community activities and events around the State. Events include flag raisings, art exhibitions, community lunches, cultural activities, and 'on country' excursions.
  - (6) While we are seeing some progress, Aboriginal women face additional barriers, and the Hodgman Liberal Government will continue to reset the relationship so that Aboriginal women have equal opportunity to participate in and contribute to Tasmania's social, political, economic and cultural life.
  - (7) Tasmania's Aboriginal women and girls are to be recognised, thanked, congratulated and acknowledged for their invaluable contributions and achievements that they have made – and continue to make - to their communities, families, our culture and our history. (4 July 2018)
- 60** The Minister for Resources to move—That the House:—
- (1) Notes the participation in National Tree Day and Schools Tree Day by schools and communities around the state in July 2018.
  - (2) Further notes that Schools Tree Day is a great hands-on opportunity for students to experience planting and caring for seedlings as they grow and, in doing so, to help beautify or provide more shade or shelter at their school.
  - (3) Further notes that the event teaches students about the importance of trees to our environment and the value of wood as a natural, renewable and beautiful resource.

## NOTICES OF MOTION AND ORDERS

- (4) Further notes that half of Tasmania – or almost 3.4 million hectares – is forested and our forest management standards are world’s best practice.
- (5) Further notes that in Tasmania we plant three trees for every single tree that is harvested.
- (6) Further notes that our productive forests provide employment for a great many Tasmanians and support regional communities around the State.
- (7) Commends all 38 schools across Tasmania involved in the 2018 Schools Tree Day.
- (8) Further commends Sustainable Timber Tasmania for donating around 8,700 seedlings of 15 native tree species to schools for the event. (4 July 2018)

**61** The Minister for Veterans Affairs to move—That the House:—

- (1) Recognises that 27 July 2018 is Korean Veterans Day, an annual day of remembrance for those who served during the Korean War.
- (2) Notes that 27 July 2018 will be the 65th anniversary of the signing of the Armistice that brought an end to active fighting in Korea in 1953.
- (3) Pays tribute to the more than 18,000 Australians who served in the Korean War, including 350 who paid the ultimate price, 1,200 who were wounded and 44 who are still listed as missing in action today.
- (4) Acknowledges the sacrifice of our allies in Korea, including the estimated half a million casualties suffered by South Korea and almost 140,000 casualties suffered by the United States of America.
- (5) Honours the service and sacrifice of all those who fought for freedom and human dignity in this conflict. (5 July 2018)

**62** The Minister for Veterans Affairs to move—That the House:—

- (1) Notes the Victoria Cross is the highest military award for bravery in wartime.
- (2) Further notes that to date (July 2018) more than 1,350 Victoria Crosses have been awarded worldwide, of these, 100 have been to Australians and fourteen won by Tasmanians – a wonderful representation.
- (3) Further notes that five of those fourteen Tasmanians demonstrated their outstanding act of bravery in 1918, 100 years ago, in France:—
  - (a) Sergeant Stanley McDougall from Recherche Bay on 28 March 1918;
  - (b) Corporal Walter Brown of New Norfolk on 6 July 1918;
  - (c) Lieutenant Alfred Gaby of Springfield Ringarooma on 8 August 1918;
  - (d) Sergeant Percy Statton of Beaconsfield on 12 August 1918; and
  - (e) Lance Corporal Sidney Gordon from Launceston on 27 August 1918.
- (4) Further notes that the Victoria Cross is manufactured by Hancocks and Co, Jewellers of London, and has been since its inception in 1857, with each award individually approved by Her Majesty the Queen.
- (5) Commends all of current and ex-service personnel who have served their country under the Commonwealth, their spirit of service and sacrifice must be remembered. (5 July 2018)
