

TASMANIA

LEGISLATIVE COUNCIL

SESSION OF 2008 - 2009

(SECOND SESSION OF THE FORTY-SIXTH PARLIAMENT)

NOTICES OF MOTION AND ORDERS OF THE DAY

No. 93

THURSDAY, 19 NOVEMBER 2009

(At 10.00 o'clock a.m.)

Notices of Question

83 Ms *Forrest* to ask the Honourable the Leader of the Government — The Department of Primary Industries, Parks, Water and Environment website states —

“By 2015 Tasmania will need an additional 250,000 megalitres (ML) of irrigation water per year to underpin projected growth in agriculture and to improve the resilience of the industry in the face of drought and climate change. This represents around a 50% increase on existing irrigation supplies”.

Regarding the existing irrigation capacity and the future need identified —

- (1) What is the latest year for which data is available to substantiate existing irrigation supplies related to agricultural and non-agricultural use?
- (2) How much water is contained in the existing surface water supplies for each irrigation management area separated between agricultural and non agricultural uses? (The term ‘irrigation management area’ is as per the May 2001 report *Water Availability in Tasmania*. If alternative classifications now apply, then as per the new classifications).
- (3) How much water exists in groundwater supplies for each irrigation management area separated between agricultural and non agricultural uses?
- (4) List existing irrigation supplies available from each publicly owned facility (in megalitres) including those managed privately; eg. Craighourne Dam, Cressy-Longford, separated between agricultural and non agricultural uses?
- (5) (a) What is the total water availability in privately owned storage facilities with regard to agricultural use; and
(b) what is the area (in hectares) serviced by the existing irrigation supplies?
- (6) With regard to the projected growth in agriculture, detail the base figures used on a per crop basis (\$’s of crop value plus hectares used for each crop).
- (7) List the projected (2015) amounts for each crop, in constant dollar terms and hectares used.

(asked 25.08.09)

92 Ms *Forrest* to ask the Honourable the Leader of the Government — With regard the water availability for irrigation in Tasmania —

- (1) What quantity of water is available from publicly owned facilities including facilities such as the Craighourne and Meander Dams?
- (2) What quantity of water is contained in private storages?
- (3) What quantity of water is extracted from rivers and streams?
- (4) What quantity of water is extracted from bores and other underground sources?

NOTICES OF MOTION AND ORDERS

(5) What percentage of irrigation projects and water used for irrigation is privately funded?
(asked 02.09.09)

97 Mr *Dean* to ask the Honourable the Leader of the Government — Statistics indicate that Tasmania has the second highest rate of teenage pregnancy and the second highest incidence of Chlamydia in young people in Australia —

- (1) Are the 'Prevention through Education' strategies failing?
- (2) Given the statistics on teenage pregnancy and Chlamydia incidence can we expect to see comprehensive relationships and sexuality education become an integral part of the school curriculum for all Tasmanian students?
- (3) (a) Will consideration be given to increased funding and associated support for Family Planning Tasmania to expand its services in —
 - (i) providing education for parents and carers;
 - (ii) training teachers – at undergraduate and postgraduate levels;
 - (iii) working with teachers to demonstrate best practice; and
 - (iv) developing and producing resources to support parents, carers and teachers; and(b) if not, what strategies will the Government pursue to address these unacceptably high levels of teenage pregnancy and Chlamydia infection in young Tasmanians?

(asked 06.10.09)

105 Mr *Martin* to ask the Honourable the Minister for Human Services — With regard to Child Protection in Tasmania —

- (1) On average, how many children in care do Case Workers manage at any one time?
- (2) How does this compare to other jurisdictions in Australia?
- (3) What is the average time that it takes Case Workers to complete a Care Plan for children from the date of their removal from their parents?
- (4) What percentage of Care Plans has been completed within the stipulated time limit?
- (5) With regard to Department managed access visits that are approved within Care Plans, what percentage of these do not occur for one reason or another each year?

(asked 15.10.09)

106 Mr *Martin* to ask the Honourable the Minister for Human Services — With regard to Child Protection in Tasmania —

- (1) (a) When a child or children are first taken into care, what immediate assistance do parents receive to assist them in dealing with their grief; and
(b) what follow up occurs the day after this to ensure the mental welfare of the parents?
- (2) What help do these parents receive to help them manage the financial consequences of having their children taken from them?
- (3) What is the average time that it takes for the Department to provide psychological assessment or support when the Department stipulates that it is a requirement for the parent to receive it before their children are returned?
- (4) How much time is mandated and given to these parents between receiving an affidavit from the Department concerning a court hearing, and the time of that court hearing, to ensure adequate time to check and validate their view of the Department's affidavit?
- (5) What is the scope of free legal advice available to parents with children who have been taken into care?
- (6) Does the Government have any plans to fund additional support for parents who have had their children removed in order to achieve timely reunification and minimal disruption to children and their parents?

(asked 15.10.09)

NOTICES OF MOTION AND ORDERS

108 Mr *Dean* to ask the Honourable the Leader of the Government — With regard youth participation in education and training in Tasmania beyond year 10 —

- (1) What is the current position regarding the ‘compulsory’ education program catering for students up to 17 years of age?
- (2) To what extent are the legislative measures being complied with?
- (3) Are there any significant issues or concerns regarding the program and if so what are they?
- (4) What are the principal courses or programs of study students are undertaking?
- (5) What percentage of total youth who are undertaking post year 10 educational opportunities are doing so in —
 - (a) a college or district high school;
 - (b) an apprenticeship or trainee scheme; or
 - (c) a training course conducted through a private provider?

(asked 27.10.09)

112 Mr *Dean* to ask the Honourable the Leader of the Government — Having regard to the national statistical data now released on drug, alcohol and suicide deaths with Tasmania identified as being well above the national average and with a suicide rate said to be 40 per cent higher than the national average, will the Government consider —

- (1) Introducing stronger legislation to control the number of liquor outlets in the State?
- (2) Introducing further legislation designed to restrict the sale and consumption of alcoholic beverages?
- (3) Undertaking a review of all alcohol and drug legislative measures with the intention of modifying behaviour?
- (4) Stronger or improved educational programs and publicity designed to address the situation?

(asked 29.10.09)

113 Mr *Dean* to ask the Honourable the Leader of the Government — With regard a recent application by a Ravenswood applicant for the First Home Owner Grant —

- (1) Is it standard practice for a letter of compliance to be forwarded from the Office of the Commissioner for State Revenue to a Grant applicant?
- (2)
 - (a) What checks are undertaken when assessing the information provided by an applicant when applying for a First Home Owner Grant; and
 - (b) is it standard practice in assessing all First Home Owner Grant applications to undertake checks of the registration details of cars parked at the accommodation of applicants; and
 - (c) if this is not standard practice, has there ever been a need to check vehicle registration details as part of the assessment of an applicant in terms of eligibility for a First Home Owner Grant?
- (3)
 - (a) Has the Office of the Commissioner for State Revenue sought to rely wholly on a vehicle’s registration details to determine the existence of a relationship between the applicant and the registered owner of a vehicle?
 - (b) If not, what other types of inquiry are made to determine compliance?
 - (c) If these avenues of inquiry do not include a check of property records and/or inquiry through the Registrar of Births, Deaths and Marriages then why not?

(asked 10.11.09)
