(asked 27.10.11)

65 Dr *Goodwin* to ask the Honourable the Leader of the Government — On Saturday 15th October 2011, the Parks and Wildlife Service called for tenders relating to the construction of the Three Capes Track huts proposed for the Tasman National Park —

- (1) Will the estimated “\$1 million and above” described in the tender come from the 2011-12 budget allocation?
- (2) Will the funds be from the State Government’s allocation to the Three Capes Track project?
- (3) How much has been spent on the Three Capes Track development to date this financial year, and what has the money been spent on?
- (4) Have any new tracks been started, and if so what is the location of the tracks?
- (5) When does the Government expect building works on the huts will begin?
- (6) (a) Has the Federal Government put any caveats on how its portion of the funds can be spent; and
(b) if so, what are they; and
(c) have the conditions imposed by the Commonwealth been adhered to?
- (7) Will the expected Development and Environmental Management Plan for the track and facilities be released by the November 2011 deadline?

(asked 08.11.11)

72 Mr *Dean* to ask the Honourable the Leader of the Government — With regard to the proposal to build the LINC Hub on Regent Square, George Town and the pending appeal against the Council’s decision to approve the development —

- (1) Is the Government aware of the considerable community concern that the heritage and historical value of the Square has not be appropriately considered by either the State Government or the George Town Council?
- (2) (a) Has the Government undertaken an independent assessment of Regent Square regarding the historical and heritage value of the site; and

NOTICES OF MOTION AND ORDERS

- (b) if so, what was the result of the assessment; and
- (c) if not, why not?
- (3) (a) Has the Government undertaken any consultation with the community; and
- (b) if so, what has been the extent of that process; and
- (c) if not, why not?

(asked 10.11.11)

73 Ms *Forrest* to ask the Honourable the Leader of the Government —

- (1) How many nursing staff (CNs, ENs, Carers) have resigned from permanent or casual positions at the West Coast District Hospital in the last 12 months?
- (2) Have any of these nurses or carers remained in the region following their resignation?
- (3) (a) Have reasons been provided for these resignations; and
- (b) if so, what reasons have been given?
- (4) How many nursing staff (CNs, ENs, Carers) have resigned or left the West Coast District Hospital in each of the previous three years?
- (5) (a) Are exit interviews conducted with nursing staff who resign; and
- (b) if so, what were the major reasons identified for leaving; and
- (c) if not, will this be considered in light of high levels of staff turnover?
- (6) (a) Are any cuts to services at the West Coast District Hospital planned as a result of budget savings strategies; and
- (b) if so —
 - (i) where will these cuts or savings be made;
 - (ii) what services will be affected; and
 - (iii) what areas will be cut?

(asked 22.11.11)

78 Ms *Forrest* to ask the Honourable the Leader of the Government — With regard to the financial statements for 2010/11 as provided in the Annual Reports of the Department of Infrastructure, Energy and Resources; the Department of Health and Human Services; and the Department of Education which, for the first time, have separated out capital grants in the calculation of Net Operating Balance in the Statement of Comprehensive Income and net cash from Operating Activities in the Statement of Cash Flows and given that these changes provide a more reliable measure of the Government's operations —

- (1) (a) Is it the Government's intention to extend the new format of reporting to all departments and agencies as well as the general Government as a whole?
(b) If so, will this include —
 - (i) The Budget Papers?
 - (ii) The Preliminary Outcomes Report; and/or
 - (iii) The Treasurer's Annual Financial Statements?
- (2) When will this change to reporting occur?

(asked 22.11.11)

79 Ms *Forrest* to ask the Honourable the Leader of the Government — With regard to the budget savings strategies proposed in the 2011-2012 budget and the indication from the Treasurer that public sector redundancies would be mandated in order to enable the necessary expenditure reduction and savings to be made —

- (1) (a) What progress has been made in terms of employment separation, by way of redundancy, for full-time permanent State Service employees?
(b) How many redundancies have been effected each month since 1 July 2011 for full-time permanent employees?
(c) How many redundancies have been effected each month since 1 July 2011 for full-time equivalent positions; and
(d) what are the estimated savings that have been achieved?
- (2) Is the employment separation strategy on target to achieve the savings outcome required at 30 June 2012?

(asked 22.11.11)

80 Ms *Forrest* to ask the Honourable the Leader of the Government — With regard to the funds appropriated for the operation of the Department of Health and Human Services, what is the breakdown of the source of, and purpose for, the funding for the 2008, 2009, 2010 and 2011 fiscal years, reconciled to the Statements presented in the Consolidated Fund for —

- (1) The funds provided by the Commonwealth to the State for the purposes of the delivery or provision of health care and health related expenditure —

“MADAM PRESIDENT

The House of Assembly having agreed to the following Resolution, begs now to transmit the same to the Legislative Council, and to request its concurrence therein —

NOTICES OF MOTION AND ORDERS

Resolved, That a Joint Select Committee be appointed with power to send for persons and papers, with leave to sit during any adjournment of either House and with leave to adjourn from place to place, to inquire into and report upon —

The need for an integrated and collaborative preventative health, early detection and early intervention health care model to deliver preventative services on the scale required to address the social and economic cost of chronic diseases and acute care needs, having regard to —

- (1) Policy direction for improved health outcomes —
 - (a) assessment of current and future preventative, early detection and early intervention health policies and strategies, across all health disciplines, including mental health, and relevant Government departments to assess capacity for improved collaboration, innovation and streamlining;
 - (b) capacity for, and utilisation of, electronic records systems (e-governance) across both the public and private sector, and its potential contribution to better health outcomes and economic efficiencies; and
 - (c) assessment of contributing social factors, and capacity to impact upon policy settings and successful implementation, including but not limited to junk food advertising, and political donations.
- (2) Need for economic structural reform within the health sector —
 - (a) preventative health models and capacity to deliver appropriate economic savings and structural reform; and
 - (b) a preferred Federal and or State funding model that allows sufficient integration of a preventative health focus.
- (3) Any other issue incidental thereto.

That the number of members to serve on the committee on the part of the House be three and that the committee shall report by 30 April 2012.”

House of Assembly, 18 October 2011

M.R. POLLEY, *Speaker*”.

6 Surrogacy Bill 2011 (No. 7): Second reading (Referred to Government Administration Committee A, 14 June 2011).

7 Surrogacy (Consequential Amendments) Bill 2011 (No. 8): Second reading (Referred to Government Administration Committee A, 14 June 2011).

8 Adjourned Debate (Mr *Parkinson*) on the Question proposed on 24 November 2010 — That the following Resolution from the House of Assembly —

“Resolved,

Joint Standing Committees on Community Development and Environment Resources and Development

- (1) That for the remainder of this Parliament, the Joint Standing Committees on Community Development and Environment, Resources and Development be re-established, to inquire into and report upon any issues and legislative proposals arising within the scope of the Committees as set out below —
- (2) Scope of the two Committees —
 - (a) **Community Development Committee**
Health, welfare, education, justice and law;
Sports and recreation;
Racing and gaming;
Public sector operations;
Arts, cultural development; and
Community quality of life.

NOTICES OF MOTION AND ORDERS

- (b) **Environment, Resources and Development Committee**
Government Business Enterprises;
Regulation of business, commerce and industrial relations;
Economic and finance development;
Environment and land use planning;
Natural resources – forestry, mining and fisheries;
Energy;

- (3) Each committee shall consist of eight members.
- (4) The membership of each of the Committees shall be as follows:
- (a) **Legislative Council:**
Four Members appointed by the Council
- (b) **House of Assembly:**
Four Members appointed by the House
(two nominated by the Government;
one nominated by the Opposition; and
one nominated by the Tasmanian Greens).
- Members who are not members of the Committees may participate in proceedings by asking questions of witnesses at the discretion of the Chair, but may not vote, move any motion or be counted for the purposes of a quorum.
- (5) Each member of the Committees shall have a deliberative vote only.
- (6) (a) It shall be open to any member of a Committee to nominate in writing to the Chair of the Committee a proxy to attend any meeting of the Committee on behalf of the member. A proxy member shall exercise all the rights of an appointed member including voting rights at any meeting of a Committee.
- (b) If a permanent vacancy occurs in the membership of a Committee either House shall, where appropriate, appoint a member in substitution.
- (7) A quorum for any meeting of a Committee shall be three (of whom one is the Chair of the Committee or Deputy Chair) when the Committee is hearing evidence but shall be four when deliberating and such deliberative quorum shall not consist exclusively of Members of one House only.
- (8) References can be made to the Committees in the following manner —

- (b) by a Minister of the Crown; or
- (c) by the Committee's own motion (including public submissions).
- (9) (a) Except as provided in (b), the Committees shall conduct all their affairs in public unless the Committee by majority vote determines it is in the public interest to take evidence and/or deliberate in private.
- (b) In deliberating or in taking evidence on matters which are “commercial-in-confidence” the Committee shall sit in private.
- (10) That the Committees have the power to send for persons and papers, with leave to sit during any adjournment of either House exceeding fourteen days, with leave to adjourn from place to place and with leave to report from time to time.
- (11) (a) A response by the Government to the recommendations contained in a Report of a Joint Standing Committee established in accordance with this Order shall be laid upon the Table of the House within four months of the Report having been brought up, provided, that should the Parliament not be sitting, the response may be lodged with the Clerk of each House for Tabling on the next sitting day.

NOTICES OF MOTION AND ORDERS

- (b) A response that is given to the Clerks under (a) is taken to have been published by order, or under the authority of, the Houses of Parliament.

And that the Minutes of Proceedings of, evidence taken by, and references made to the Committees by previous Resolutions be referred.'

be agreed to.

9 Consideration of the following Resolution from the House of Assembly —

“MADAM PRESIDENT

The House of Assembly having agreed to the following Resolution, begs now to transmit the same to the Legislative Council, and to request its concurrence therein:—

Resolved, That the Joint Select Committee on the Working Arrangements of the Parliament be reappointed with power to send for persons and papers, with leave to sit during any adjournment of either House and with leave to adjourn from place to place, and with leave to report from time to time, to inquire into and report upon —

- (1) Measures for reform which may improve the performance and efficiency of the Parliament and its Members having particular regard to, but not confined by, a consideration of —
 - (a) the Statement of Principles agreed to by resolution of the Legislative Council on the 3rd and 4th day of September 1997;
 - (b) the procedures for the resolution of dispute and deadlocks between both Houses including standing order provisions and Parliamentary custom and conventions;
 - (c) the system of Statutory Standing, Joint Sessional and Joint Select Committees of both Houses, their roles, functions and relevance to contemporary Parliamentary practice;
 - (d) and any other matters incidental thereto.
- (2) That the Committee be authorised to disclose or publish, as it thinks fit, any evidence or document presented to it prior to such evidence being reported to either House.
- (3) That the Members on the part of the House be four and that the Minutes of Proceedings of, evidence taken by, and references made to the Committee by previous Resolutions be referred.

House of Assembly, 22 September 2010

M.R. POLLEY, *Speaker*”.

10 Constitution Amendment (Legislative Council Proceedings) Bill 2011 (No. 19): Adjourned Debate on the Question proposed on 13 April 2011 — That the Bill be now read the Second time. (*Private Member’s Bill*)

11 Partition Bill 2010 (No. 2): Second reading.

Notices of Motion

1 Mr *Hall* to move — That this House acknowledges the contribution of Mr John Gay to the economy of Tasmania and, in particular, the forest industry.

2 Mr *Parkinson* to move — That a Joint Select Committee be appointed with the power to send for persons and papers with leave to sit during any adjournment or suspension, and with leave to adjourn from place to place, to inquire into and report upon the role and powers of parliamentary committees, and in particular —

- (1)
 - (a) Whether the existing Committee structure fulfils the current needs of the Parliament?
 - (b) What changes, if any, should be made to the existing make-up and operation of existing committees?
 - (c) Whether there is a need for additional Standing Committees and, if so, in what form and terms of reference; and
 - (d) Any other matters incidental thereto.

NOTICES OF MOTION AND ORDERS

- (2) The Committee consist of three Members from the Legislative Council and three Members from the House of Assembly.

3 Ms *Forrest* to move —

- (1) That the Joint Select Committee on Parliamentary Arrangements ('Committee') is established.
- (2) The Committee has the power to send for persons and papers, with leave to sit during any recess or adjournment of both Houses, with leave to adjourn from place to place, and with leave to report from time to time to inquire into and report upon —
 - (a) Any matter dealing with the internal arrangements, operation, custom, practice or procedure of the Parliament referred to it by its own motion; or
 - (b) any matter referred to it by joint resolution of both Houses of Parliament.
- (3) The quorum of the Committee is four for all purposes and to include at least one Member of each House.
- (4) The Committee is authorised to disclose or publish, as it thinks fit, any evidence or document presented to it prior to such evidence being reported to either House.
- (5) To the extent that they are not provided for in this resolution, the rules governing the operation of the Committee be those applying to Select Committees of the Legislative Council.
- (6) The Minutes of Proceedings of and evidence taken by the former Joint Select Committee on the Working Arrangements of the Parliament be referred to the Committee.
- (7) That the Members on the part of the Council shall be four and include the President.

And requests the concurrence of the House of Assembly.

4 Mr *Dean* to move — That the Deloitte Report entitled "Cricket Tasmania Economic Impact of AFL Games at Bellerive Oval" dated 11 November 2010, be considered and noted.

5 Mr *Parkinson* to move — That the Legislative Council —

- (1) Notes the Government's achievements in the area of road safety since September 1998.
- (2) Further notes that the second Road Safety Action Plan (2011-2013) supports the Tasmanian Road Safety Strategy 2007-2016 and builds on the Government's achievements to date.

6 Mr *Dean* to move — That the report of the Auditor-General No. 2 of 2011-12 entitled "Children in out-of-home care", be considered and noted.

7 Mr *Wilkinson* to move — That this Council notes —

- (1) That despite it being some six years since the *Professional Standards Act 2005* was introduced in Tasmania, it has achieved nothing.
- (2) The Act was designed to deal with the market failure underlying the so-called insurance crisis of the early 2000s and that insurers had withdrawn from the Australian market, leading to a lack of competition, steep increases in insurance premiums, restrictive policy terms and the unavailability of insurance to cover some professional services.
- (3) The legislation was intended to attract capital back into the insurance market by —
 - (a) Creating schemes limiting the liability of members of approved professional associations;
 - (b) requiring the improvement of professional standards of the approved associations and members; and
 - (c) protecting consumers of professional services by requiring adequate professional indemnity insurance.

NOTICES OF MOTION AND ORDERS

- (4) That to date, there are no active approved schemes operating in Tasmania, making a mockery of the aims of the Act. And that the Council queries the efficacy of this legislation before the insurance cycle returns to a harder market and the experience of the early 2000s which the legislation was intended to prevent.

8 Mr *Dean* to move — That the Annual Report of the Department of Police and Emergency Management 2010-2011, be considered and noted.

TUESDAY, 13 MARCH 2012
