- 4 Ms *Forrest* to move — That, in order to minimise the harms associated with drug use at Tasmanian festivals and events, this House—
- (1) Acknowledges that pill testing is a health related matter;
 - (2) Acknowledges that pill testing is an evidence based health service that reduces the risk of illicit drug harm at music festivals and events;
 - (3) Acknowledges that pill testing services do not endorse or provide advice on the safety of illicit drug use and there is no research or evidence to support the view that pill testing increases drug use;
 - (4) Acknowledges the successful results of the two trials in the ACT that demonstrated the effectiveness of pill testing services to change a person's illicit drug behaviour;
 - (5) Acknowledges that pill testing is supported by national bodies including the Royal Australasian College of Physicians, the Royal Australian College of General Practitioners, the Australasian College for Emergency Medicine, the Rural Doctors Association of Australia, the Australian Medical Association, the Australian Nursing and Midwifery Federation, the National Australian Pharmacy Students' Association, the Pharmaceutical Society of Australia, the Ambulance Union State Council, the Public Health Association of Australia, Family Drug Support Australia, and the Australian Drug Law Reform Foundation and at the local level, by Tasmanian community organisations including the Youth Network of Tasmania, the Tasmanian Aboriginal Centre and Community Legal Centres Tasmania;

 - (7) Recognises a need for the Department of Health to prepare information and education materials outlining the community and individual health benefits of drug analysis services, to educate and inform the broader Tasmanian community; and
 - (8) Calls on the Government to commence the necessary steps to explore how a trial of pill testing could occur during the 2019-20 summer festival season.
