4 DEC 2025

Dear Mr Vermey

On 2 December 2025 you asked me the following question in the House:

*My question is for the Minister for Transport. My constituents in Clark, in particular the northern end, have special interest in finding out about the public transport and are asking when the Claremont Park and Ride will be completed? And can the Minister provide an update?*

Thank you for the question.

Excitingly, work is underway on the Claremont Park and Ride facility, located on Claremont Link Road, between Myella Drive and Main Road Claremont.

This important project is part of the wider Greater Hobart Park and Ride program.

The park and ride at Claremont will provide greater opportunities for the community to catch public transport between Claremont and central Hobart. The facility will include parking for cars, and motorcycles, bicycle storage, and all-weather bus shelters.

I had the pleasure of seeing the works kick off at the end of July at the site and I am very pleased to inform you the project is expected to be completed in late May 2026.

I thank you for the question and trust this information will be helpful for you constituents.

Yours sincerely

Hon Kerry Vincent MLC  
Minister for Infrastructure and Transport
