W. LOVETT, *Colonial Auditor.*

W. H. BURGESS, *Treasurer.*

Audit Office, Hobart, 1st July, 1885.

SIR,

THE several Statements of Account of the Consolidated Revenue for the year 1884 having been examined and found correct, are returned certified; and I have the honor to submit my Report thereon as required by Section 4 of the Regulations under the "Audit Act," No. 3.

R E P O R T.

REVENUE.

Revenue proper.—The Revenue proper of the year 1884 received, and estimated as outstanding, amounts to £547,386 1s. 11d.; viz., £545,686 1s. 11d. received, and £1700 estimated. The increases and decreases in the several items are shown in the following table:—

TOTALS	560,056	3	7	547,386	1	11	38,255	2	8	50,925	4	4

It will be noticed that the principal decreases occur in the Customs and Real and Personal Estate Duties, in which considerable remissions were passed during the preceding Session of Parliament. The total decrease compared with the Revenue of 1883 amounts to £12,670 1s. 6d., but this would have been much larger if the 1884 account had not received the advantage of items properly chargeable to Construction that had been debited to the Tasmanian Main Line Railway Revenue Account for the years 1883 and 1884, the repayment of which has been demanded by the Government.

Mineral Refunds.—Under this head a debit appears in the Treasury Ledger of £55 4s. This item is the aggregate of amounts which appear to have been received by the former Deputy Commissioner of Crown Lands, and not accounted for, in addition to the amounts previously reported, authorised by the Governor in Council to be repaid and charged to a Suspense Account upon the understanding that the amount would be recovered from Mr. Hull, but up to this date the advance has not been recouped.

Real Estate Duties Deficiencies.—Since the date of my last Report (3rd July, 1884), the investigation into the accounts of the Collector of Real Estate Duties at Launceston has been completed, resulting in the discovery of an actual deficiency and loss to the Revenue of £145 11s., which has not been in any way explained. A further sum of £281 5s. 11d. remains also unaccounted for, which may, however, be the difference between the Commissioners' and the Local Rolls, as stated by Mr. Henry, but no actual proof of this has been produced. A very voluminous Report of this case has been printed, and will, it is understood, be submitted to Parliament by the Government.

Fees under Police Act.—A correspondence has taken place with the several Municipalities and the Treasurer for the purpose of recovering certain fees which the Law Officers have advised are payable to the Consolidated Revenue, but have been collected by the Council Clerks and paid into the Municipal Revenue. In most cases the Municipal Councils have ordered the payment of these fees to the Treasury as requested, but some have declined. It is very desirable that steps should be taken to compel payment in the latter case.

EXPENDITURE.

Ordinary.—The Ordinary Expenditure of the year 1884 chargeable to the Consolidated Revenue, ascertained to 31st March, 1885, amounts to £558,240 18s.; viz.—

	£	s.	d.
Expenditure to 31st December, 1884.....	499,419	15	10
Reserves under Waste Lands Acts, 1870 and 1881	20,092	1	1
Expended from 1st January to 31st March, 1885, on account of 1884..	38,729	1	1
	£558,240	18	0

It is also estimated that the outstanding expenditure will amount to £23,500; adding to this £10,000 for Treasury Bills under Act 44 Vict. No. 14 paid off and charged to 1884, the total expenditure of the year will amount to £591,740 18s., exceeding that of the year 1883 by £50,953 11s. 9d.

Expenditure not voted by Parliament.—A Return (A.) is appended of Expenditure on account of the year 1884 not previously sanctioned by Parliament, but authorised by the Governor in Council under Section 19 of the Regulations under the "Audit Act." The following items of Expenditure referred to in my last Report have not yet been provided for by Parliament; viz.—

	£	s.	d.
Stone-crushing machinery.....	94	3	4
Erection goods shed, &c. Launceston and Western Railway	823	5	4
Dunrobin Bridge approaches.....	23	1	4
Approaches Jetties at Peppermint Bay, Three Hut Point, &c.....	50	0	0
Road Richmond to Jerusalem.....	900	0	0
Works under Act 47 Vict. No. 35.....	2100	0	0
Invalid Dépôt, Launceston.....	1571	0	3
Discount on sale of Debentures, Loan £300,000.....	7580	0	0
Campbell Town Water Supply, Loan to Trustees.....	7000	0	0

It is understood that arrangements are in progress by which the last item will shortly be repaid to the Treasury by the Trustees of the Campbell Town Water Trust. With regard to the others, proper provision should be made during the coming Session of Parliament.

DEBT OF THE COLONY.

The Debt of the Colony amounted to £3,392,050 on 31st December, 1884; viz.—

	£
Debentures issued and outstanding.....	3,152,300
Debentures and Treasury Bills authorised but not issued.....	238,550
	<u>£3,390,850</u>

The increase for the year being £175,400.

In the Treasurer's Balance Sheet the amount is stated to be £3,202,750, being the balance of cash transactions at the end of the year in the above figures (£3,152,300.) Treasury Bills for £50,000, raised for a temporary object and provided for, and £450 for Debentures due but not presented for payment, are excluded.

PUBLIC BODIES.

Municipal.—The accounts of all the Municipalities, excepting New Norfolk, have been examined and passed; respecting the exception, the Council Clerk has failed, as yet, to carry out instructions which were given him in May, 1884, or to produce satisfactory proof of the correctness of the amount stated to have been collected on account of the Water Assessment, hence the delay in passing these accounts. The Glenorchy accounts as usual were forwarded in a most unsatisfactory state, causing much trouble to this Department to put them in order.

Road Trusts.—Eighty-five (85) Road Trust accounts have been examined and passed. With respect to the Fingal accounts, which have not yet been forwarded, the Treasurer of the Trust, although repeatedly applied to, has failed to forward them or to give any reason for not doing so.

Main Road Boards.—All these accounts, thirty-three (33), have been examined and passed.

Marine Boards.—The accounts of the five Marine Boards, and of the Light-house Fund, have been passed and published; a qualified certificate, however, was attached to the Hobart account in consequence of failure to satisfy this Department respecting a small item of expenditure.

Cemetery Accounts.—Sixteen Cemetery accounts have been examined and passed.

Tasmanian Main Line Railway.—The accounts of the Tasmanian Main Line Railway have been examined, and a special Report thereon forwarded to you on the 5th May last.

TRUST FUNDS.

Assurance Fund, Real Property Act.—The amount to credit of this fund on 31st December, 1884, was £5457 2s., of which £5400 has been invested in Government Debentures, the balance remaining in the Treasury.

Public Debts Sinking Fund.—This fund has increased from £72,613 13s. 4d. on 31st December, 1883, to £86,038 2s. 6d. on 31st December, 1884, £86,000 being invested in Government Debentures. The following are the transactions for the year 1884:—

	£	s.	d.
Balance on 31st December, 1883.....	72,613	13	4
Reserves under Waste Lands Acts received	12,994	8	8
Interest on Investments	3189	11	0
Premium on sale of Debentures	3240	9	6
	<u>92,038</u>	<u>2</u>	<u>6</u>
Debentures paid off	6000	0	0
	<u>£86,038</u>	<u>2</u>	<u>6</u>

The account for the half-year ending 30th June, 1885, has been received, and is now under examination.

Post Office Savings Bank.—The result of the transactions to 31st December, 1884, is shown in the following table:—

	£	s.	d.
Deposits received	68,706	4	7
Withdrawals	43,881	11	2
Balance on original Deposits	24,824	13	5
Interest allowed to Depositors	1278	13	8
Total due to Depositors	£26,103	7	1

Twenty-seven thousand seven hundred Pounds (£27,700) have been invested in Tasmanian Government Debentures on account of this Fund.

Territorial Police Provident Fund.—The accounts of this Fund were only received yesterday, and are now under examination; it is hoped that more promptness will be exhibited for the future in rendering these accounts.

Campbell Town Water Trust Sinking Fund.—Under Act 45 Vict. No. 16, it is required that 2 per cent. per annum of the amount borrowed for the construction of the work shall be annually invested in the purchase of Government Stock; upon inquiry it was found that the amount so required for 1884, £140, had been placed at fixed deposit in the Bank of Australasia to be operated upon by the Honorable the Treasurer and one of the Trustees of the Fund, because Government Stock could not be purchased in small sums, and that it was intended when the amount had accumulated sufficiently to carry out the requirements of the Act.

Fingal Municipal Sinking Fund.—The Act 45 Vict. No. 16 requires that at least 2 per cent. of the amount of the Loan, £1000, for erection of Municipal Buildings should be annually set apart for investment in Government Stock, and in 1883 £50 was deposited in the Treasury for that purpose; but no amount was paid over during 1884, and, upon inquiry, the Warden appears to be of opinion that because 5 per cent. on the Loan was deposited in the first year, that no payment was required for the second; it is evident, however, that the Act requires that a special rate should be raised, and a contribution of *not less* than 2 per cent. paid therefrom, towards the redemption of the Loan, annually.

Latrobe Road Trust Sinking Fund.—After some delay £32 has been deposited in the Treasury, being 2 per cent. on the Loan of £800 raised under Act 45 Vict. No. 16 for the years 1883 and 1884. The next instalment is due on 1st November next.

INSPECTION OF ACCOUNTS.

The Travelling Inspectors have performed very useful work since last report; in addition to the inspection of the accounts of the several Government Departments at head quarters, those of Launceston and of the branches in the country districts have been visited and reported upon, as well as those of the Local Bodies, comprising Road Trusts, Main Road Boards, Municipalities, and Cemetery Trusts. Some idea of the work carried out will be arrived at when it is considered that the country visits alone number 153. New work has also been taken up by this Department which was formerly undertaken by the Storekeeper,—viz., taking and checking stock of Stores in hand at the Gaols, General Hospitals, Hospitals for the Insane, Charitable Institutions, and Reformatory for Boys, besides additional work in connection with the new Lines of Railway.

COLONIAL STOREKEEPER'S ACCOUNTS.

The accounts of the Colonial Storekeeper for 1884 were rendered more promptly than usual, having reached this office on the 2nd June. The examination was completed and a special report thereon forwarded to you on 25th June.

QUERIES, &c.

A list of queries and letters not replied to, or to which satisfactory answers have not been received, is given in Appendix B. It is considered desirable to specially bring under notice Letter 14th July, 1884, and Query No. 157, 14th August, 1884, because the case referred to is one in which the intention of Parliament with reference to certain expenditure does not appear to have been carried out in respect to the supervision thereof; and Queries No. 165, 10th October, 1884, and No. 167, 14th October, 1884, because in these cases it is doubtful whether a breach of the Customs Act in remitting duty on goods not within the table of exemptions has not been permitted: the correspondence in these cases is therefore forwarded for publication.

Requesting your attention to the several matters brought under notice,

I have the honor to be,
Sir,

Your most obedient Servant,

The Hon. the Treasurer.

W. LOVETT, *Colonial Auditor.*
