Laid upon the Table by the Attorney-General, and ordered by the House to be printed, July 27, 1875.

Hospital for the Insane, New Norfolk, 1st January, 1875.

To His Excellency FREDERICK ALOYSIUS WELD, *Esquire, Governor-in-Chief of Tasmania and its Dependencies.*

MAY IT PLEASE YOUR EXCELLENCY.

LITTLE has occurred in the history and management of the Institution under our care since the date of our last Report requiring special notice.

Nothing, we believe, has been omitted to promote the health and comfort of the Patients.

The average number treated in the Hospital during the year was precisely the same as in the previous year, while the number remaining at the termination of 1874 was one less than at the end of 1873, thus showing for the first time a reduction in the number of inmates instead of an increase.

The usual full Returns are hereto appended—

- No. 1. Return of Admissions, Discharges, and Deaths of Patients.
- No. 2. Return of Patients who died in the Hospital, with period of detention, during the year 1874.
- No. 3. Return of the duration of disease in Patients on admission, and the result, for the year 1874.
- No. 4. Return of Articles of Clothing made and repaired by Patients.
- No. 5. Return of Mechanical Work performed by Patients.
- No. 6. Farm Account Sales, 1874.
- No. 7. Return of Expenditure, 1874.

We have the honor to be,

Your Excellency's obedient and humble Servants,

R. OFFICER, *President.*
