Dear Ms Johnston

I am writing in relation to a question you raised in Parliament on behalf of your constituent Robert in relation to the AFL agreement.

I can advise the Ground Occupancy Agreement (which is a schedule of the Club Funding and Development Agreement with the AFL) is still to be finalised, that will set out revenue share for games between the Club and Stadiums Tasmania. However, I understand that typically the revenue is shared and does not all go to one party.

As to the financial benefits to the AFL – I am not aware of any work from the Tasmanian Government on this. However, the AFL may have more information on this.

I appreciate the interest of your constituent in these matters.

Yours sincerely

Hon Nick Duigan MLC  
**Minister for Sport**
