1893.

PARLIAMENT OF TASMANIA.

L A N D T A X :

REPORT FOR 1892.

Presented to both Houses of Parliament by His Excellency's Command.

Office of Taxes, Hobart, 22nd May, 1893.

SIR,

I HAVE the honor to submit the following Returns, Nos. 1 to 7, explanatory of the work of this Department for the year 1892 :—

1. Return showing the number of items subject to Real Estate Duty and Land Tax, and the rateable and capital values of the properties in each District for the years 1887, 1888, 1889, 1890, 1891, and 1892.
2. Return showing the number of items subject to Land Tax, and amount of Land Tax, for each District for the year 1890 ; the amount collected, and remaining due on the 31st December, 1892.
3. Return showing the number of items subject to Land Tax; and amount of Land Tax, for each District for the year 1891 ; the amount collected, and remaining due, on the 31st December, 1892.
4. Return showing the number of items subject to Land Tax, and amount of Land Tax, for each District for the year 1892 ; the amount collected, and remaining due, on the 31st December, 1892.
5. Return showing the number of items and amount of Rural Police Rate for each District for the year 1890 ; the amount collected, and remaining due, on the 31st December, 1892.
6. Return showing the number of items and amount of Rural Police Rate for each District for the year 1891 ; the amount collected, and remaining due, on the 31st December, 1892.
7. Return showing the number of items and amount of Rural Police Rate for each District for the year 1892 ; the amount collected, and remaining due, on the 31st December, 1892.

Return No. 1 shows an increase in the number of 1162, and capital values of properties of £317,448, which is in excess of that of either of the previous years since 1889, when the valuations were completed.

This fact, taken in conjunction with the existing depression in the country generally, is very satisfactory, showing the progress of settlement and the improvements made in town and suburban properties.

The accounts for the year 1890 will now be closed, nearly all the recoverable amounts having been collected. The recoverable amounts of Land Tax and Rural Police Rate for the year 1891, which are now of a very inconsiderable amount, have all been placed in the hands of the Crown Solicitor for collection.

Nearly all the outstanding amounts shown to be due on the 31st December on account of 1892 have been since that date collected, and the remainder have been placed in the hands of the Crown Solicitor for collection.

The collection for 1892 of both Land Tax and Rural Police Rate has been as successfully carried out as that of previous years, in spite of the depression which has existed throughout the country.

The provision in "The Land Tax Amendment Act, 1892," Section 5, enabling any person to have his property re-assessed, has as yet been very sparingly availed of, although the attention of the public was called to it by advertisement in the several newspapers. The applications have come principally from the Districts of Franklin and the Mersey.

FRANCIS BUTLER, *Commissioner.*

The Hon. the Treasurer.
