1892.

PARLIAMENT OF TASMANIA.

L A N D T A X :

REPORT FOR 1891..

Presented to both Houses of Parliament by His Excellency's Command.

Office of Taxes, Hobart, 29th June, 1892.

SIR,

I HAVE the honor to submit the following Returns, Nos. 1 to 7, explanatory of the work of this Department for the year 1891 :—

1. Return showing the number of items subject to Real Estate Duty and Land Tax, and the rateable and capital values of the properties in each District, for the years 1886, 1887, 1888, 1889, 1890, and 1891.
2. Return showing the number of items subject to Land Tax, and amount of Land Tax, for each District for the year 1889; the amount collected, and remaining due, on the 31st December, 1891.
3. Return showing the number of items subject to Land Tax, and amount of Land Tax, for each District for the year 1890; the amount collected, and remaining due, on the 31st December, 1891.
4. Return showing the number of items subject to Land Tax, and amount of Land Tax, for each District for the year 1891; the amount collected, and remaining due, on the 31st December, 1891.
5. Return showing the number of items and amount of Rural Police Rate for each District for the year 1889; the amount collected, and remaining due, on 31st December, 1891.
6. Return showing the number of items and amount of Police Rate for each District for the year 1890; the amount collected, and remaining due, on the 31st December, 1891.
7. Return showing the number of items and amount of Police Rate for each District for the year 1891; the amount collected, and remaining due, on the 31st December, 1891.

Return No. 1 shows an apparent decrease in the capital value of the properties in the Island, but, allowing for the Main Line Railway, the capital value of which (£600,000) was included in 1889 and 1890, but which is now the property of the Government, and therefore not included in the assessment for Land Tax, the actual increase is £219,276, slightly in excess of the increase in 1890.

The Accounts for the year 1889 have been closed, all the recoverable amounts having been collected. Very few of the outstanding amounts of Rural Police Rate or Land Tax for the year 1890 are recoverable; they have all been placed in the hands of the Crown Solicitor for collection.

The larger portion of the outstanding amounts for Rural Police Rate and Land Tax shown to be due by the Returns for 1891 have been collected since the 31st December, and the remainder have been given to the Crown Solicitor for collection.

If any amendment is proposed in the Land Tax Act, I would submit the evident justice of including a clause enabling any person to call upon the Commissioner of Taxes any time before the 31st January in each year to have their property re-valued, as the Legislature has now decided, by 54 Victoria No. 24, not to have a general re-valuation of properties until Parliament authorises the Governor in Council to do so. If any amendment is made, I would also urge the necessity of including the alterations shown to be advisable in my Report for the year 1890.

I have the honor to be,

Sir,

Your obedient Servant,

The Honorable the Treasurer.

FRANCIS BUTLER, *Commissioner.*
