

(No. 53.)

1867.

T A S M A N I A.

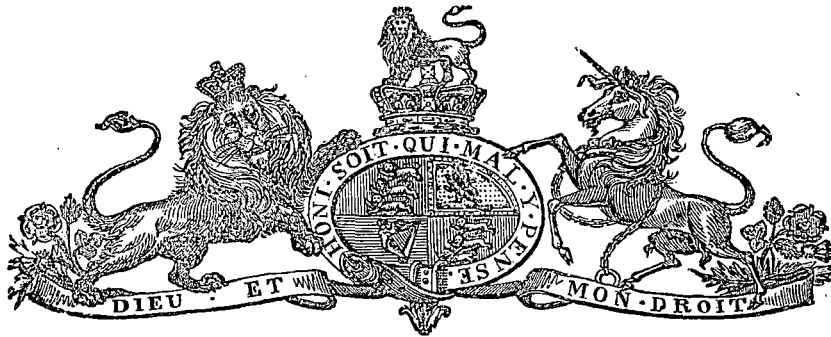

LEGISLATIVE COUNCIL.

V A C C I N A T I O N S.

RETURN OF, PERFORMED AT THE GENERAL HOSPITALS,
HOBART TOWN AND LAUNCESTON:

Return to an Order of the Council dated September 12, 1867. (Mr. Whyte.)

Laid upon the Table by Sir R. Dry, and ordered by the Council to be printed,
October 1, 1867.

General Hospital, 19th September, 1867.

SIR,

IN forwarding the accompanying Return, in accordance with instructions received in your Memorandum of 16th instant, I beg to remark that soon after gratuitous Vaccination was commenced at the General Hospital, Hobart Town, and before sufficient time had elapsed to make it generally known, Measles became very prevalent in the City. This will fully account for the very small number of persons who have been vaccinated during the last Six months.

I have the honor to be,
Sir,

Your most obedient Servant,

GEORGE TURNLEY,
Resident Medical Officer.

The Honorable the Colonial Secretary.

RETURN showing the Number of Children vaccinated at the above Establishment from February to September, 1867.

Name.	Age.	When vaccinated.	Remarks.
		1867.	
Nelson, Peter	$\frac{9}{12}$	15 February	Successful ; One Vesicle.
Connell, Joseph.....	$1\frac{1}{12}$	15 February	Unsuccessful.
Harraford, J.....	$\frac{6}{12}$	8 March	Did not return.
Heirn, Charles.....	7	29 March	Successful ; Four Vesicles.
Tregair, Sarah.....	$\frac{10}{12}$	29 March	Ditto ; Three ditto.
Forster, Elizabeth.....	4	29 March	Ditto ; Three ditto.
Allan, Thomas.....	2	29 March	Ditto ; Two ditto.
Heirn, D. W.	$\frac{6}{12}$	5 April	Ditto ; Four ditto.

GEORGE TURNLEY, Resident Medical Officer.

General Hospital, Launceston, 17th September, 1867.

No persons made application for Vaccination, and consequently no Vaccinations have been performed at the General Hospital, Launceston.

J. L. MILLER.
