 - (b) material costs, trade and supply challenges;
 - (c) the adequacy of Consumer Business Occupational Services (CBOS) as Tasmania's building and consumer regulator;
 - (d) personal experiences that could inform consideration of any of the above; and
 - (e) other matters incidental thereto.
- (2) The Committee shall consist of 5 Members, being:—
 - (a) two from the Government nominated by the Leader of the House;
 - (b) Dr Broad;
 - (c) Ms Johnston; and
 - (d) the Mover.
- (3) The Committee report by 9 March 2023 next. (17 August 2022)

11 The Attorney-General to move—That the House:—

- (1) Notes:—
 - (a) that the Tasmanian Liberal Government understands it is a difficult time for many in our community and has measures in place to assist Tasmanians with the cost of living;
 - (b) that due to the Covid-19 pandemic, the conflict in Ukraine and other global supply issues, the cost of petrol has significantly increased nation-wide and that the decision of the previous Federal Government to cut the fuel excise was welcomed by all Tasmanians who saw a reduction in petrol prices at the bowser; and
 - (c) that this Government is taking practical steps to provide relief to Tasmanian families and strongly urges the new Federal Government to extend the fuel excise reduction until at least the end of 2022.
- (2) Calls on the Tasmanian Labor Party to support the Tasmanian Liberal Government and also speak to their Federal counterparts and demand they extend the fuel excise reduction to help Tasmanians struggling with the high cost of fuel. (17 August 2022)

12 The Minister for Energy and Renewables to move — That the House:—

- (1) Notes:—

NOTICES OF MOTION AND ORDERS

- (a) that the Kentish Council and Central Coast Council municipalities were subjected to a severe weather event on the weekend of 11 June 2022 with wind gusts of up to 200kmph causing extensive damage to property and the environment; and
 - (b) Kentish Council, Central Coast Council, our emergency services and service providers such as TasNetworks worked extremely hard under adverse conditions to ensure the safety and wellbeing of residents whilst getting essential services back on line as quickly as possible.
- (2) Recognises Disaster Relief Australia initiated their involvement in the clean-up effort deploying over 20 volunteers, many who are ex-veterans or retired emergency service workers. Disaster Relief Australia completed over 70 requests for assistance over many weeks as part of 'Operation Sheean' and will continue to assist as they are able.
- (3) Further notes the Tasmanian Government acknowledges and thanks the many community groups including Rural Alive and Well, Grans van, Sheffield Lions, emergency services personnel, residents and volunteers involved in the clean-up efforts.
- (4) Acknowledges the Tasmanian Government is continuing to provide assistance with the Australian Federal Government through the jointly funded Commonwealth-State Disaster Recovery Funding Arrangements (DRFA). (18 August 2022)

13 Mr O'Byrne to move — That the House:—

- (1) Notes that:—
 - (a) the latest Short Stay Accommodation Act data collection report indicated that there were 5,321 short stay accommodation properties listed in Tasmania during the first quarter of 2022;
 - (b) recent data shows approximately half of properties listed on short stay accommodation booking sites in Tasmania were not primary residences; and
 - (c) Tasmania has one of the lowest rental vacancy rates in the country, which has contributed to the rapid rent increases seen in Tasmania over the last two years.
- (2) Acknowledging the ongoing housing crisis and the impact that rental affordability and availability is having on Tasmanians struggling under the increasing cost of living.
- (3) Recognises the unprecedented demand for social housing in Tasmania, with average wait times for priority applicants on the housing register exceeding 67 weeks.
- (4) Calls upon the Government to introduce a levy on short stay accommodation properties that would level the playing field between renters and tourists and encourage short stay properties to return to the private rental market. (18 August 2022)

14 Mr O'Byrne to move — That the House:—

- (1) Notes:—
 - (a) the latest Report on Government Services showed state-wide Ambulance response times in Tasmania are the slowest in the country, with the 90th percentile average response times surpassing 33 minutes;
 - (b) since this Government came to power in 2014, it is now taking an average of three minutes longer for ambulances to arrive to patients; and
 - (c) the average number of hours ambulances across the State spend ramped each and every day has increased by over 115% since 2014.
- (2) Further notes that patient experience survey data reveals Tasmanian ambulance patients rate the level of care they received from our Paramedics higher than patients in any other State or Territory.
- (3) Acknowledges the extreme difficulties faced daily by our paramedics and front-line health professionals due to the dilapidated state of our health system.
- (4) Commends the extraordinary work of our paramedics right across Tasmania who continually impress the community with their commitment and professionalism, despite the extreme pressure and stress they are placed under.
- (5) Calls upon the Government to commit to reducing ambulance response times to the national average by the end of 2022. (18 August 2022)
