

Clause Notes

Legislation and Regulatory Review (Premier and Cabinet) Bill 2026

Part 1 - PRELIMINARY

Clause 1 Short Title

Specifies the name of the proposed Act.

Clause 2 Commencement

Provides that the Act commences on the date at which it received Royal Assent.

Part 2 - PUBLIC WORKS COMMITTEE ACT 1914 AMENDED

Clause 3 Principal Act

Specifies that this part of the Bill is amending the *Public Works Committee Act 1914*.

Clause 4 Section 32A inserted

Inserts into section 32A of the *Public Works Committee Act 1914* the transitional provisions of the *Public Works Committee Amendment Act 2009*.

This makes clear that any public works referred to the Committee before the amendments of the *Public Works Committee Amendment Act 2009* took effect will continue to be considered under the previous provisions of the *Public Works Committee Act 1914*.

These transitional provisions ensure continuity in the rules applying to public works while enabling the spent *Public Works Committee Amendment Act 2009* to be repealed. They preserve all existing legal arrangements, and do not change the requirements that apply to public works.
