SESSION II.

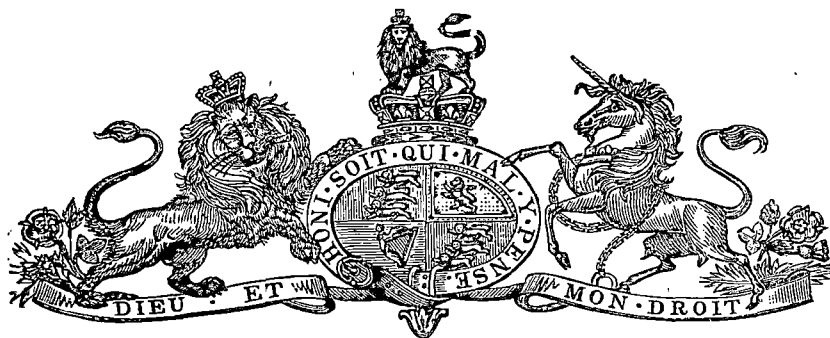

PARLIAMENT OF TASMANIA.

LIBRARY OF PARLIAMENT:

REPORT OF LIBRARIAN.

Presented to both Houses of Parliament by His Excellency's Command.

Cost of printing—12s.

House of Assembly, 21st October, 1894.

SIR,

I HAVE the honor to present my Annual Report on the Parliamentary Library.

Missing Books.—*Nil.*

Condition of Books.—Binding, on the whole, good, with the exception of some few volumes of light fiction, of which cheap editions were purchased.

Volumes recovered which have been reported as missing (3).

The recent arrangement of the Library has proved successful; but experience has suggested other improvements, which will be carried into effect during the present recess.

The necessity for retrenchment in this, as in all other branches of expenditure, has caused the number of volumes added to the Library to be but few, as shown by the appended list:—

| | Bancroft, George: History of the United States, 7 Vols. |

I cannot close this, my first Report as Librarian, without expressing my appreciation of the faithful work of the Assistant Librarian elect, Mr. W. Freney, during the many years he has filled the position of Library Attendant, and more especially whilst the recent alterations were in progress.

HENRY T. MANING, *Librarian.*

The Hon. the Chief Secretary.
