* The interest being made payable by the Act annually, 3 years' interest has been called for in each case, amounting to £150, but nothing has been received. By a communication from the Chairman it appears that the authorised special rate has been collected by the Trust, but has been found inadequate to meet the interest.

† The interest is made payable annually by the Act. No demand has yet been made.

WM. H. WINDSOR, Assistant Treasurer.

Colonial Treasury, 27 November, 1877.
