

Standing Committee on Government Administration A

Resolution of the Standing Committee on Government Administration A on 5 August 2026

The Standing Committee on Government Administration A has resolved to inquire into and report upon the construction and operation of AI data centres in Tasmania, including recommending future legislation and regulations necessary to:

1. Protect public resources and the environment;
2. Ensure Tasmania's Resource Management and Planning System adequately recognises and addresses the specific impacts of the development and construction of AI and data facilities;
3. Provide Parliamentary oversight and accountability for new facility construction and resource allocation;
4. Ensure transparent public disclosure of resource consumption;
5. Provide the Tasmanian community with adequate opportunities for consultation;
6. Ensures the Tasmanian community receive tangible benefits from all AI and data facilities constructed in the state; and
7. Any other matter incidental.
