PARLIAMENT OF TASMANIA.

ST. JOSEPH'S ORPHANAGE AND INDUSTRIAL SCHOOL :

REPORT FOR 1893.

Presented to both Houses of Parliament by His Excellency's Command.

(No. 1.)

ST. JOSEPH'S ORPHANAGE AND INDUSTRIAL SCHOOL, HOBART.

ANNUAL REPORT FOR 1893.

Sir,

In submitting the Fifteenth Annual Report of St. Joseph's Orphanage and Industrial School, the Governors are thankful to record that the work of maintaining, clothing, and educating the many little ones committed to their care has been successfully carried on during the year, notwithstanding the great depression existing throughout the Colony.

Nine children were admitted to this Institution during 1893, eight discharged, and one who was admitted in a delicate state died after a few months, of consumption; during her illness she was visited regularly by Dr. G. H. Butler, who still continues to give his services gratuitously, and to whom we tender our cordial thanks. Fifty-six children remained on the 31st December, 1893. Government contributes to support thirty-nine of these children, by paying 5s. each per week for them; friends support four of them; and the remainder are supported by the Institution. Of those discharged during the year, five were apprenticed, two returned to their friends, and one was adopted. All who were apprenticed are giving the greatest satisfaction.

The health and conduct of the children are good.

We again thank the many kind friends who supply fruit, vegetables, &c.

Mr. Rule examined the children in December, and spoke favourably of their progress and conduct.

We would again appeal to the people of Tasmania generally to assist us in enlarging the Building, which would thus enable us to receive many more destitute children, and fit them to become useful members of Society.

Accompanying is the Balance-sheet for the year 1893.

We have the honor to remain,

Sir,

Your obedient Servants,

CHAS. WOODS. PHILIP HENNEBRY. CHARLOTTE KEARNEY.

The Hon. the Chief Secretary.
