Acting Under-Secretary.

Dear Sir,

With a view to expediting the issue of the Journals of Parliament as early as possible I requested the Government Printer on the 27th. January last to acquaint me of any Papers which were ordered to be printed, the copies of which he had not received, and he to-day informs me that he has not received the following:-

- Paper No. 35. Statistics
- Paper No. 63. ✓ Report of Fisheries Commissioners
- Paper No. 64. ✓ Agricultural College and State Farm Report.
- Paper No. 65 ✓ State Farm Accounts.
- Paper No. 66. ✓ Charitable Grants Department Report.
- Paper No. 67. ✓ Children of the State Report.
- Paper No. 68. ✓ Exunceston General Hospital Report.

As Complaint is made nearly every year of the delay in issuing the Journals, and as the last Paper delays the issue of the whole Volume, I shall be glad if you will very kindly cause the Departments concerned to supply the Reports without delay, in order that they may be made available for printing and binding.

Yours faithfully

The Honourable

The Chief Secretary.

Sir,

I have the honour to apply for Authority to sell to Mr. J. G. Turner, Morrison Street, a quantity of old loose Parliamentary Papers and Hansards of the other States, duplicate Volumes of Hansards, and a quantity of other papers which are of no use and are, in fact, an encumbrance.

From time to time I have obtained your Authority to sell by auction old newspapers suitable for wrapping by butchers and other tradesmen, but the papers now referred to are not suitable for this purpose and are practically unsaleable locally. Mr. Turner is Agent for a large firm in Sydney who I understand will buy old paper and will offer £2 a ton, or 2/- a hundredweight. The proceeds of the sale of the papers will be paid into the Treasury.

Owing to the increase in the cost of Stationery and Stores, and also of Postal and Telephone charges, the amount voted by Parliament has been exhausted, and the additional amount required is to meet outstanding claims, and claims which will come in course of payment before the end of the present financial Year.

I have the honour to be,

The Government Printer.

Dear Sir,

I have been endeavouring through my Minister to speed up the supply to you of the copy of certain Parliamentary Papers of last Session, which you have not yet received. From information obtained it appears to be unlikely that the last of these papers will be available for another eight or ten weeks.

I would suggest to you that the first volume might be issued separately as soon as it is ready. You have in your hands the whole Indices of the Journals of both Houses and the prefatory matter of both Volumes, and if you could put the printing of these in hand the first Volume might be available in a comparatively short time. In this way I think much of the inconvenience which has arisen in past years will be minimised.

Sir,

I have to acknowledge the receipt of cheque for Five Pounds One Shilling and Six Pence being cost of printing in connection with the Circular Head Marine Board Loan Bill, 1920 (No. 79).

I have paid the cheque to the Government Printer, and now enclose his receipt.

Yours faithfully

Clerk of the House.

House of Assembly,
Hobart, 28th April, 1921.

F. C. Green, Esquire
House of Representatives
Parliament of the Commonwealth
Melbourne.

Dear Mr. Green,

I am now sending you enclosed cheque for £14:10/+, pay as Clerk-Assistant of the House from 16 to 30th instant.

I had hoped ere this to have been able to convey to you news that your desire to be assured that you were taking over to the Commonwealth Service your existing and accruing rights had been secured to you by Executive Minute, as the Speaker on the 14th instant wrote to the Honourable the Chief Secretary forwarding your letter to me on the subject, and expressing the hope that your wishes might be given effect to, in order that your interests in the future might be fully safeguarded. As we had had no reply, I called to-day at the Chief Secretary's Office and found that there was some difficulty, as there appears to be no provision in the Commonwealth Public Service Act for such a case as yours, as you were not under our Public Service Act nor are you now under the Commonwealth Public Service Act. I obtained a copy of a communication from the Secretary of the Public Service Board, which I enclose, and I understand that the Premier will address the Prime Minister as suggested in Mr. Rowland's communication. I expressed the hope that Premier or Chief Secretary would keep the Speaker informed as to what is being done, and you may be sure that everything possible will be done in your interests at this end.

I trust that you are finding your new position congenial, and that you will have a long and honourable career in the service of the Parliament of the Commonwealth. Please convey my very kind regards to Mr. Gale, Mr. Clapin and Mr. McGregor, and with all good wishes to Mrs. Green and yourself believe me to remain

Yours very sincerely

Clerk of the House.

House of Assembly,

Hobart, 3rd May, 1921.

W. Warren Kerr, Esquire

Chairman of the Royal Commission on Taxation

Brooks Building

59-65 Elizabeth Street

Melbourne.

Dear Sir,

I have to acknowledge the receipt of your letter of 29th ult. thanking me for granting your Commission the use of rooms in the Parliamentary Buildings during the recent sittings of the Commission at Hobart.

I am glad that the Members found the rooms convenient and comfortable, and that the important work of the Commission was facilitated by any services which the Clerk of the House or other Officers were able to render.

Yours faithfully

Speakers Room,

House of Assembly,

Hobart, 10th May, 1921.

The Honourable

The Chief Secretary.

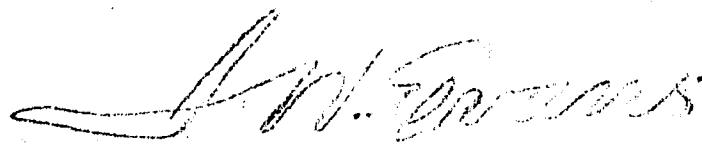

Sir,

A vacancy having arisen in the Office of Clerk-Assistant and Sergeant-at-Arms owing to the transfer of Mr. F. C. Green to the Parliamentary Service of the Commonwealth, in accordance with the authority conferred upon the Speaker by Section Three of "The Parliamentary Privilege Act, 1898" (62 Vict. No. 20), I do hereby nominate Mr. John Llewellyn Evans for appointment by the Governor-in-Council to the position of Clerk-Assistant and Sergeant-at-Arms of the House of Assembly with Salary at the rate of £260 per annum, this amount having been fixed at our recent interview as the commencing salary for the Office.

I have the honour to be,

Sir,

Your obedient Servant

Speaker.

House of Assembly.

Hobart, 24th May, 1921.

The Honourable

The Minister for Works.

Sir,

I have the honour to apply to have additional shelving accommodation provided in connection with the Library of Parliament and also for records.

If this application is approved, I shall be pleased to point out to the Clerk of Works what is required.

I have the honour to be,

Sir,

Your obedient servant

Clerk of the House of Assembly,
and Librarian to Parliament.

House of Assembly,
Hobart, 27th May, 1921.

E. S. Willis, Esquire
Secretary, Marine Board of Burnie and Table Cape
Burnie.

Dear Sir,

I have to acknowledge the receipt of your letter of 25th inst covering copy of Semi-Public Bill which it is proposed to bring into this House during the approaching Session.

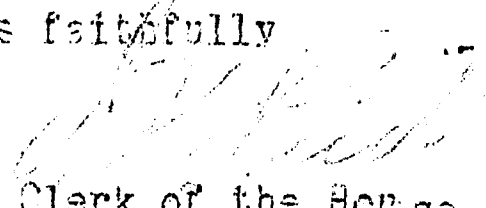

You inquire whether it will be necessary for the Bill to be sealed. This is not required, but as the Bill is a Semi-Public one, it must be brought in upon Petition, which, together with the Guarantee, should be under the Seal of the Board. I enclose two copies of form of Petition and of the Guarantee, in case you should spoil one.

I note that the Bill will be brought in by Mr. Whitsitt, who will therefore probably present the Petition and take charge of the Bill generally.

Regarding the ~~Draft~~ Bill which you send, might I offer the following suggestions? I would suggest that the second last paragraph commencing 'This Act etc' should be Clause 1, and the present Clause 1 should be Clause 2, and both of these should have marginal notes supplied. Also with regard to the Title, as the money is in hand and has not to be borrowed, I think it would be briefer and quite sufficient if the title read--"A Bill to provide for the Erection and Equipment of a Signal Tower for the Port of Burnie by the Marine Board of Burnie and Table Cape". I merely offer this as a suggestion.

Later on, when the Bill is settled, should you so desire, if you care to send me the draft, I will get it printed in anticipation of it being brought in, in order to expedite matters when Parliament meets.

Yours faithfully

Clerk of the House.

HOUSE OF ASSEMBLY,

CAMBODIA,

30th June, 1921.

H. J. Sadler, Esquire, M.P.A.,
Chairman of Committee,

Elphinstone, LAUNCESTON.

Dear Mr. Sadler, -

I am writing to thank you for assisting in getting over the difficulty of providing a room for the Leader of the Opposition. Mr. Reie tells me how readily you consented to give up your room for this purpose, and I much appreciate your action in thus assisting me. I am not so willingly and generously disposed to the proposal, but can assure you that would have been the end of the matter, far as I am concerned, and I must be made it clear that the arrangement is only a temporary one, as I propose, as soon as possible in the approaching Session, to call a special meeting of all the Members of the House and discuss the steps to be taken to provide increased accommodation for the Members, as well as for Library purposes, as this has now become an absolute necessity.

I was also to hear from Mr. Reie that you are fairly well, and I trust as the warmer weather comes you will continue to improve and be enabled to take your accustomed place in the proceedings of the House. In the meantime I feel sure that the House will most willingly grant you whatever leave of absence may be necessary.

With kindest regards and all good wishes,

Believe me,

Yours very sincerely,

HOUSE OF ASSEMBLY,
HOBART,

The Manager,

The English, Scottish and Australian Bank, Ltd.,

B U R N I E.

Dear Sir,-

I am in receipt this morning of your letter of the 22nd instant, in which you say :

"On 1st instant we sent you an order signed by Mr. J.A.Hurst authorising you to pay, in each month to our branch at Hobart for his credit here the £25 due to him, but we are without an acknowledgement."

This order, however, has never reached me, but I received a letter dated 26th May from Mr. Hurst himself requesting me to pay his monthly cheques, as they become due, into the Hobart branch of The English, Scottish and Australian Bank for transfer to your branch. In order to avoid exchange costs, I wrote to Mr. Hurst under date 10th instant proposing to send cheques as they become due direct to you by post to be placed to his credit, and as I have received no reply, I presume this course meets with Mr. Hurst's approval. I therefore propose, at the end of the month, to send you cheque for June, and will continue to do so at the end of each month, until further instructed by Mr. Hurst.

Yours faithfully,

CLERK OF THE HOUSE.

HOUSE OF ASSEMBLY,
HOBART,
24th June, 1921.

The Honourable J. A. Lyons, M.H.A.,
Leader of the Opposition,
DEVONPORT.

Dear Mr. Lyons,-

Following up by recent official communication upon the subject of your room, I now have pleasure in advising that I instructed the Clerk of the House to proceed to Launceston and personally interview the Chairman of Committees with the object of inquiring whether he would be willing, under the circumstances, to give up his room. I took this course as Mr. Sadler is indisposed and confined to the house and it was difficult to deal with the matter by correspondence. Mr. Reid explained the situation, and Mr. Sadler has very handsomely given up the room now occupied by him as Chairman of Committees, and I have issued instructions that it shall be placed at your disposal immediately. I should be glad to hear that this arrangement is satisfactory to you, but I would express the hope that you concur in the arrangement being regarded as merely a temporary one until additional accommodation is provided, as I think the Chairman of Committees, who is an Officer of the House and Deputy Speaker, ought to have a room of his own.

I was very sorry to hear yesterday of your sudden illness. I sincerely trust that you will soon be restored to your usual health, and will be able to take your place in the House when Parliament meets next month. It must have been a great disappointment to you not being able to attend the Conference now sitting in Melbourne.

With kind regards, I am,

Yours faithfully,

SPEAKER.

Dear Sir,

Referring to your claim for £2,3.9 for hire of two Motor cars on 21st October last for the service of the Select Committee of the House on Maternity Hospitals, I placed the same before the Committee and I am directed to say that the Committee considers the charge too high altogether for the service rendered. I am therefore returning the voucher together with another form on which to make out an amended account.

Dear Sir,

Maternity Homes Select Committee

In going through the evidence given by witnesses, the Committee notes that you are not satisfied with the present management of the Victoria Hospital. In enclose a copy of your evidence, and would feel obliged if you will be so good as to favour the Committee with your views as to how the management of that Hospital should be improved so as to reach more effectively, the poorer sections of the community.

Yours faithfully,

The Honourable,

The Chief Secretary.

Sir,

In the course of taking evidence in connection with the Select Committee of the House on Maternity Homes a witness came forward and recited, which to the Committee appears to be a very hard case.

The Committee feels that inquiry should be made, and as the case does not come within the scope of the Committee's functions I am sending you, herewith, a copy of the evidence taken in order that you may be in a position to do so.

Sir,-

Referring to the enclosed voucher for £1:10:0 for advertisement on account of the Maternity Hospitals Select Committee on 22nd September, 10/-.

This claim was included and formed part of your claim for £2:7:6 forwarded to the Treasury for payment on 8th November. There is apparently an amount still owing to you for the advertisement on account of the same Committee which appeared in your issue of 25th September. Please make out this claim and the one on account of the advertisement on 21st September for the Returned Soldiers' Select Committee for £1 on separate forms and return to me, when I will certify them and forward same to the Treasury for payment.

Sir,-

Returned Soldiers' Settlement Select Committee.

The Chairman of the above Committee has instructed me to return you the enclosed Voucher, and to ask that you will be so good as to explain why the advertisement inserted in your Journal on the 27th October should be more expensive than that inserted on the 8th October, as we find, on turning up these advertisements, that the insertion on the 27th is slightly smaller than that of the 8th.

It is also apparent that you have claimed twice for the advertisement inserted by the above Committee on the 21st September; once on the enclosed Voucher and again on Claim No. 2052/67, which also includes an amount of 10/- on account of the Maternity Hospitals Select Committee.

Yours faithfully,

I much regret to say that I have inadvertently mislaid the original Abstract. I had sent it to Launceston for the signature of Mr. Sadler, the Chairman of Committees and duly received it back, but find that I have unaccountably mislaid it.
