Subject: Tasmanian Greyhound Racing Industry Inquiry

Dear Madam Secretary

The Inquiry needs to address the following RSPCA concerns:

- a) the use of live or dead animals as lures.
- b) introduction of strategies to avoid overbreeding, wastage, euthanasia, the use of illicit substances and injuries from training and racing.
- c) adequate funding from the industry to provide rehoming of every greyhound.
- d) changing laws to prevent exportation of greyhounds for racing purposes.
- d) mandatory socialisation for greyhounds up to 17 weeks old.
- e) public publishing of industry statistics and outcomes for each greyhound to ensure transparency.
- f) all training tracks should be inspected regularly and registered by Racing Services Tasmania.

Yours sincerely,
AnneMarie Lewer

Tasmania ,
