

## Zeehan – Gorse Fire Risk

### **Ms DOW question to MINSITER for PARKS**

My question is from my constituent, Billie, who lives at Zeehan. Billie would like to know when the government and the acting minister for parks will address the issues with gorse in and around the town of Zeehan which poses a big fire threat to the community and to the adjoining properties of which one is hers. I've written to the Minister for Parks and I'm yet to receive a response, and I would like a response on behalf of Billie.
