## TASMANIA.—LAND TAX.

## NOTICE OF APPEAL.

TAKE notice that we intend, at the next Sittings of the Supreme Court to be held at \_\_\_\_\_ for hearing Land Tax Appeals, to appeal against the Assessment of the value of the property belonging to us, Charles James Barclay and Charles Henry Elliston, as Mortgagees, No. on Roll, 208, situate in the District of Green Ponds, and comprising the Estate of Woodlands. And the grounds of our appeal are:—

1. The capital value of the said property is not more than £7000.
2. The annual value of the said property is not more than £450.

Dated at Hobart, this third day of June, 1893.

(Signed) **DOBSON, MITCHELL, & ALLPORT,**  
*Attorneys for the Appellants.*

Here give No. in Assessment Book and locality of property as given in the second column of the form of Return prescribed to be furnished under the Act.

To the Registrar.

N.B.—The date of the Sittings of the Court will be gazetted, and notice of it posted to the Appellant.

These three Copies to be sent to the Registrar.

LIST OF APPEALS.  
DISTRICT OF GREEN PONDS.

No. in Assessment Book.	Name of Appellant.	Description of Property.	Capital Value as per Assessment Book.	Annual Value as per Assessment Book.	Owner's Capital Value.	Owner's Annual Value.
208	Barclay, C. J., and Elliston, C. H., as Mortgagees, per Dobson, Mitchell, & Allport	Land, house, and out-buildings, 5160 acres, "Woodlands," Melton Mowbray	£ 13,000	£ 500	£ 7000	£ 450

I CANNOT recommend any reduction in this. The original valuation, I see by my notes, is £15,300. The late owner (Mr. Page's) value, I think, was £13,500. The mortgagees have evidently placed the mortgage amount as the capital value.
