SESSION OF 2021

(FIRST SESSION OF THE FIFTIETH PARLIAMENT)

TASMANIA

NOTICES OF MOTION AND ORDERS OF THE DAY

No. 7

WEDNESDAY, 25 AUGUST 2021

(At 10:00 o'clock a.m.)

Notices of Motion

19 Mr *Ellis* to move—That the House:—

- (1) Notes that, despite the challenges of 2020/2021, Tasmania's economy continues to grow.
- (2) Recognises that, across a range of economic indicators, our State's economic performance is strengthening.
- (3) Acknowledges that Australian Bureau of Statistics (ABS) Labour Force data for July 2021 has confirmed the highest number of Tasmanians ever employed.
- (4) Further recognises that Tasmania's unemployment rate remains the lowest it's been in more than 10 years.
- (5) Further acknowledges that our State Final Demand is now higher than before the Pandemic.
- (6) Further notes that, as the economy is strengthening, confidence is returning to the Tasmanian community with retail trade figures higher than 2020.
- (7) Further recognises that with our economy growing strongly and our recovery well underway, this week's State Budget will continue to support that growth and recovery to secure Tasmania's future. (24 August 2021)

20 Dr *Broad* to move—That the House:—

- (1) Notes that without increased tailings storage capacity the MMG mine at Rosebery will close in 2024.
- (2) Further notes that closure of the Rosebery mine will result in the loss of 500 direct jobs and impact the wider Tasmanian economy including putting Nyrstar's Hobart zinc smelter at risk.
- (3) Further notes that the "paste fill" method of tailings storage would potentially create unacceptable risks to mine workers' safety.
- (4) Further notes that the Bob Brown Foundation has threatened legal action to halt test drilling at MMG's South Marion oak mining lease despite MMG having all the appropriate State approvals in place.
- (5) Calls on the Liberal Government to ensure that any legal doubt is removed to uphold the integrity of State based mineral exploration approvals. (24 August 2021)

21 Ms *O'Connor* to move—That the House:—

- (1) Notes the release of the Intergovernmental Panel on Climate (IPCC) Change's 'Sixth Assessment Report', the starkest warning yet of the massive and irreversible impacts of climate change, with the United Nations Secretary-General describing it as a "code red for humanity"

NOTICES OF MOTION AND ORDERS

- (2) Recognises the IPCC says it is still possible to limit temperature rises to below a catastrophic threshold, but only if immediate and ambitious action is taken.
- (3) Understands every single ton of CO₂ kept out of the atmosphere is important in ensuring a safer future climate.
- (4) Agrees the overwhelming majority of Tasmanians want elected representatives of all political persuasions to acknowledge the severity and urgency of the challenges humanity is facing.
- (5) Acknowledges that the Australian Medical Association, the Australasian College for Emergency Medicine, and the Royal Australasian College of General Practitioners have all declared climate change is a health emergency.
- (6) Declares a climate emergency. (24 August 2021)
