Dear Mr Jaensch,

Thank you for your constituent question of 6 November 2025. I provide the following advice in response.

The 2025–26 State Budget has now been passed by both Houses of Parliament and the Appropriation Bills received Royal Assent on 23 December 2025.

Relevant Departments will now be able to progress the preparation and execution of grant deeds and other funding arrangements in accordance with the 2025–26 State Budget.

Community organisations are encouraged to contact the relevant government Department administering their funding program for further information regarding the timing of individual funding arrangements.

Yours sincerely

 Eric Abetz MP
