PARLIAMENT OF TASMANIA.

HOBART TRAMWAY COMPANY'S AMENDMENT
BILL, 1889, [PRIVATE]:

P E T I T I O N.

Presented by Mr. Watchorn, August 13, and ordered by the Legislative Council
to be printed.

*To the Honorable the President and Members of the Legislative
Council of Tasmania, now in Council assembled.*

The humble Petition of the undersigned Residents of Hobart, directly engaged in the
Commercial, Trading, and Shipping interest of the Port of Hobart.

WE humbly approach your Honorable House by Petition, praying most earnestly
that the Tramway Enabling Bill now before your Honorable Council may not receive
your sanction to the clause permitting any private company of capitalists to construct
Tramways along the Hobart wharves or foreshore of the said port, we alleging that the
construction of Tramways in the particular locality of wharves shall be at the expense of
the Government or the Marine Board Authorities, and no other body.

And, as in duty bound, the Petitioners humbly pray.
