PETITION AGAINST ADDITIONAL TAXATION

FROM THE DISTRICT OF MORVEN.

Presented by Mr. Innes, and ordered by the House to be printed,
12 February, 1857.

*To the Honourable the Members of the House of Assembly, in
Parliament assembled.*

The humble Petition of the undersigned Inhabitants of the District of Morven.

RESPECTFULLY SHOWETH :

THAT the present Revenue of the Colony is more than sufficient for the efficient carrying on of the Government of so small a community.

That any attempt to bring the Revenue up to the present excessive expenditure would be productive of the greatest evil to the community.

That the measure as submitted by the Finance Minister to the House of Assembly is oppressive, and opposed to all sound political economy.

Your Petitioners therefore pray your Honourable House not to sanction any measure having for its object increased Taxation.

And your Petitioners will ever pray.
