				<u>£6132</u>	<u>18</u>	<u>10</u>

It is not possible to give a correct Return of excesses which would be caused by liabilities for the Half-year, under the present system of Accounts, which I think it would not be advisable to alter. I have therefore shown in this statement, the amounts in excess of the Estimate for the year, made from actual payments to the 30th June.

WM. LOVETT, *Accountant.*

Colonial Treasury,
17th September, 1861.
