ALFRED T. MAYSON, *Officer in Charge at Circular Head,*
3rd January, 1867.

NOTE.—Wynyard and Burnie, as *Ports of Clearance only*, were attached to Circular Head during the year 1865. The Vessels trading to those places were necessarily entered in at Stanley, Circular Head, but have, however, been distinguished in the "Inward Quarter Book" by the prefix of the initial letter in each case. The same distinguishing mark has been adopted in making this Return: thus, S represents Stanley; W, Wynyard; and B, Burnie.—A. T. M.
