Dear Mr George

Thank you for your constituency question asked in the House of Assembly on 2 December 2025 raising concerns on behalf of your constituent regarding attendance numbers at the rallies for and against the stadium in Hobart.

Tasmania Police officers are well versed in public events and crowd control. Media outlets who asked about attendance at the rallies for and against the stadium were informed that it was an estimate of each public event, not an official head count. Police monitoring the events stand by the estimates given.

Yours sincerely
