

Print out the Chamber Floor Diorama onto A3 paper.
It will stand up really well if you can use a thicker card than your usual A3 paper, or glue it to a piece of A3 card.
Cut it out on the dotted lines, and fold it inwards to make a standing open box.

Print out the Devils and Desks page onto thick A4 paper (if possible).
Cut out and assemble into standing and sitting devils!

YOU WILL NEED

- Scissors
- Sticky tape
- Printer and paper
