

(No. 128.)

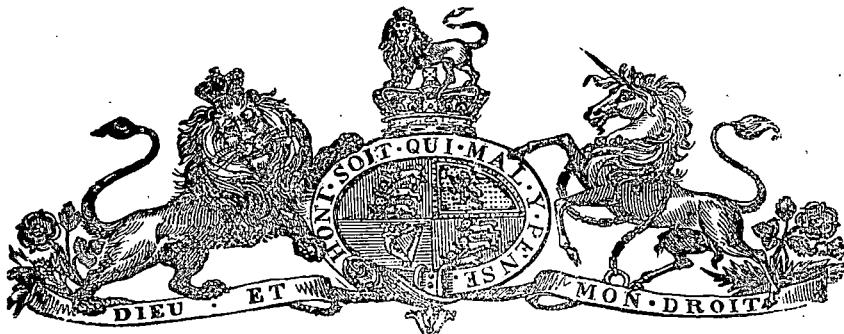

1884.

PARLIAMENT OF TASMANIA.

LAND FOR NATIVE BORN AND OTHERS:

PETITIONS FOR GREATER FACILITIES OF ACQUIRING.

Ordered by the Legislative Council to be printed, September 11, 1884.

*To the Honorable the President and Honorable Members of the Legislative Council,
in Parliament assembled, in Tasmania.*

The Petition of the undersigned Inhabitants of New Norfolk,

HUMBLY SHOWETH :

THAT Petitioners feel aggrieved at the manner in which the Waste Lands of the Crown are being disposed of and alienated to parties who are strangers to the Colony, and who have conferred on them facilities and privileges which are refused to the native born and long residents in the Colony.

Your Petitioners therefore humbly pray that greater facilities than are now afforded under the present Waste Lands Act be accorded the native born and long residents in Tasmania for acquiring a homestead in their native land or adopted country, whilst yet there is a remnant left.

And Petitioners, as in duty bound, will ever pray.
