FROM ELECTORS OF LAUNCESTON AGAINST THE PRACTICE OF
NOMINATION AT ELECTIONS ON PUBLIC HUSTINGS.

Presented by Mr. Button, and ordered by the Council to be printed, 23 October, 1857.

To the Honourable the Legislative Council of Tasmania.

The Petition of the undersigned Electors of Launceston and others.

RESPECTFULLY SHOWETH:

THAT the present practice of Nomination at Elections on public hustings is attended with inconvenience and loss of time,—is productive of unnecessary excitement,—is inconsistent with vote by ballot,—and is destitute of any advantage that could not be better secured by other means.

That in New South Wales steps have been taken to abolish Nomination on the Hustings by Movers and Seconders; and in South Australia the mode adopted is thus prescribed in the Electoral Act of that Colony:—"It shall be lawful for any two electors of any Electoral District, before or at the time fixed for nomination, to address and forward or deliver to the Returning Officer of such District a letter signed by such two electors as proposer and seconder of a person to be therein named as a Candidate to represent the District, the person also proposed as a Candidate signifying his assent in writing to act if elected: and on the day of nomination named in the Writ, the Returning Officer shall attend at noon at the chief voting-place of the Electoral District, and shall then open the letters so addressed to him; and if there shall not be a greater number of Candidates so proposed and seconded, and consenting as aforesaid, than are by such Writ required to be elected, the Returning Officer shall declare such Candidate or Candidates to be duly elected, and make his return accordingly; and in the event of there being more Candidates so proposed and seconded and consenting as aforesaid than are by such Writ required, the Returning Officer shall give notice at such chief voting-place of the names of the Candidates, and of the persons by whom they have been proposed and seconded; and the voting shall commence at the different voting-places for the District as nearly as may be at nine o'clock in the forenoon of the day appointed in the Writ for taking the vote, and shall cease at four o'clock in the afternoon."

Your Petitioners therefore pray that your Honourable House will cause the Local Electoral Act to be so far amended as to obviate for the future those scenes which sometimes occur on nomination days, when angry feelings are excited, the public quiet disturbed, and the peace of Her Majesty endangered.

And your Petitioners will ever pray.
