State Service Amendment (Validation) Bill 2019

The State Service Amendment (Validation) Bill 2019 amends the *State Service Act 2000* and the *State Service Regulations 2011* to:

- validate past payments made to current and former employees for leave accrued above that employee's maximum entitlement to recreation leave;
- validate past recreation leave taken by current and former employees where the amount of recreation leave taken was greater than the employee's maximum entitlement to recreation leave; and
- rescind Regulation 21, leaving recreation leave to be dealt with by existing provisions in Awards and Agreements, or the *Industrial Relations Act 1984*.
