Dear Madam Secretary

(a) practices in the Tasmanian greyhound racing industry, including whether live baiting, 'wastage' and 'draining' of greyhounds is occurring, and if so, to what extent;

(b) the role of regulatory authorities in upholding animal welfare standards in the industry and encouraging best practice;

(c) making sure there is adequate funding and places for greyhounds to go when they are no longer racing so they can be rehomed.

(d) address over breeding within the industry.

(e) stricter controls of dogs being sold overseas.

Yours sincerely,
Louise Willie
