Dear Committee Secretary

I write to outline my opposition to the proposed \$750 million stadium at Macquarie Point.

I am not a football supporter at all.

I do support Tasmania having an AFL side in its own right as a point of principal, as the League is a national competition.

I submit that the league has been happy with the current arrangements of matches played at Bellerive oval and The York Park fixtures.

I do not agree that Tasmania needs a new stand alone stadium. I totally oppose the spending of \$750 million on the project.

It is the right decision to have the team, across two sites if needed. It is wrong to spend the vast amount of money, when people in this state do not have secure housing and indeed, are living in cars, tents and couch surfing.

Wrong priority

Kind regards  
(Simon Lincoln, )
