* Includes balances of collections for previous years. † Not entitled to any contribution. ‡ For year 1884 § No claim made by Brown's River Road Trust; authorised to be divided between Queenborough and Sandy Bay after payment of outstanding claim of Brown's River Road Trust. || Balance of collections for previous years. ¶ Not entitled to any contribution, accounts not having been forwarded to Auditor-General before 31st March, 1889.

NOTE.—The contributions for the year 1888 were paid under the provisions of Section 4 of Act 52 Vict. No. 58, and, in accordance with that section, are based on receipts from collections during the year 1888, as the proceeds of Road Rates levied in that year, arrears not being taken into account. The total contribution was limited to £11,500, but in making the apportionment the claim of the Emu Bay Road Trust, amounting to £283 6s. 9d., was inadvertently omitted. The claim has been paid and placed to a Suspense Account pending provision which Parliament will be asked to make in the Bill regulating the payments for the year 1889.
