*Rule 23.*—The Local School Boards will take measures to compel the attendance of children between the age of 7 and 14 years, living within a radius of two miles from the Public School, in accordance with the provisions of "The Public Schools Amendment Act," and shall regularly visit and report upon the School placed under their supervision; and shall also exercise the following functions :—

*Rule 76.*—The classification of Teachers who have passed the Examination will be determined (a) by their competency as Teachers, and (b) by the result of the Examination.
