SESSION III.

TASMANIA.

HOUSE OF ASSEMBLY.

---

EXHIBITIONS UNDER BOARD OF  
EDUCATION, 1876:

EXAMINERS' REPORT, &c.

---

Laid upon the Table by the Colonial Secretary, and ordered by the House to be printed, July 13, 1877.

Board of Education, Tasmania,  
Hobart Town, 27th June, 1877.

#### EXHIBITIONS FROM PUBLIC TO SUPERIOR SCHOOLS.

THE Board of Education has directed the publication of the annexed Report of the Examiners appointed to conduct the Examination of Candidates for Exhibitions from Public to Superior Schools.

The Candidates who obtained the highest number of Marks were:—

##### *Males.*

GEORGE ERNEST CLEMONS.  
HENRY FRANK MILES.  
TIMOTHY PATRICK HARTNETT.  
JOHN ALFRED HALLAM.  
WILLIAM JAMES SPRINGFORD EAST.  
WALTER BAXTER.

##### *Female.*

MARY ANN PLOWMAN.

The Board has, accordingly, awarded to each of these Candidates an Exhibition of the value of £16 13s. 4d. per annum, from the 1st proximo, subject to the conditions laid down in the Regulations dated 30th June, 1876.

By order of the Board,

HENRY BUTLER, *Chairman.*

---

#### EXAMINERS' REPORT.

WE have the honor of presenting to the Board of Education a Report of the Eighteenth Annual Examination for Exhibitions.

The Examination began on Tuesday, the 19th instant, and extended over three days. Fifteen boys and two girls, representing nine schools, were examined; ten in Hobart Town, and seven, under approved supervision, at Launceston. The same questions were set to all the candidates at the same time, and the answers written at Launceston were forwarded to us. The reading, however, of the candidates examined at Launceston, was estimated by the gentleman who undertook their supervision. This arrangement possibly impairs, to a slight extent, the accuracy of the results, but the inconvenience appears to be unavoidable under the circumstances.

The subjects, and the values assigned to them, were the same as last year, when some changes were introduced because candidates were not admitted above the age of twelve years, instead of thirteen years as formerly. The same restriction is now in force, and the numerical results of the examination may therefore be compared with those of last year more easily and fairly than with those of preceding years.

We have to remark as follows on the various subjects:—

**READING.** *Rev. Canons Davenport and Bailey, Examiners.*—Considering the youthful age of the candidates, the reading of most of them was very creditable, two or three made a considerable number of mistakes in even the simplest words, more perhaps, however, from nervousness than from carelessness. In view of the fact that the results in this subject cannot be estimated by the same

person, when the examination is held in different places, and that therefore, as in the case of the two who stand first on the present occasion, the rank of the candidates may be affected, it would seem worthy of consideration how far it is desirable to retain this subject in the scheme.

**DICTATION.** *Rev. Canon Davenport, Examiner.*—All, with few exceptions, did very well, but they generally failed in their attempts at correct punctuation.

**PENMANSHIP.** *Rev. Canons Davenport and Bailey, Examiners.*—In some instances the penmanship was quite as good as could be expected from the candidates, and in all, the neatness was very creditable.

**GRAMMAR.** *Rev. Canon Bailey, Examiner.*—The answering in this subject was very creditable; seven of the candidates gained more than three-fifths, and only four less than half the full number of marks.

**GEOGRAPHY.** *Rev. Canon Bailey, Examiner.*—I noticed a considerable improvement in the answering in this subject as compared with that of last year; but the number of candidates who failed to gain half the number of marks is still greater than it ought to be. It may be of service to teachers to notice that only eight of the candidates attempted Question 3, and that not one of them gained full marks for it, while only one answered the first part of it correctly.

**HISTORY.** *Rev. Canon Davenport, Examiner.*—The work was, on the whole, good, though the answers of a few candidates were in several instances mere nonsense. Those who answered best showed that they had been diligent in studying both the English and Sacred history of the periods assigned. Mary Ann Plowman answered admirably, obtaining full marks for nearly every question. Next, in order of merit, and deserving favourable mention, were Hallam, Clemons, Tolland, Stephens, Miles, Hartnett, Barnett, East, Baxter, Tibbs, and Cahill.

**ARITHMETIC.** *Rev. Canon Davenport, Examiner.*—The paper was a difficult one for children under twelve years of age, but the experience of former years justified the expectation that it would not be beyond the powers of well-prepared candidates. The work done was generally satisfactory. Clemons, Mary Ann Plowman, and Miles answered remarkably well. Hartnett, Kelly, East, Baxter, Tolland, and Barnett deserve favourable mention.

The annexed Table of Marks shows the results in detail. Only one of the candidates failed to obtain 400 marks, and was thereby disqualified for a place in the Table. Twelve reached the standard of qualification for an Exhibition.

We have pleasure in recommending for Exhibitions Mary Ann Plowman, and the six foremost of the boys; viz., George Ernest Clemons, Frank Miles, Timothy Patrick Hartnett, John Alfred Hallam, William James Springford East, and Walter Baxter.

The results of the Examination are, in our opinion, very satisfactory. The number of candidates was considerably larger than last year, and, though the number of marks obtained by the foremost is not much greater than at the last examination, we have pleasure in observing that the highest number was obtained by a female candidate, and also that not less than five boys were qualified for an Exhibition besides the first six to whom that honor will be awarded. These successes reflect great credit on the masters of the various schools at which they have studied, as well as on the candidates themselves.

ARTHUR DAVENPORT, }  
J. BROOKE H. BAILEY, } *Examiners.*

Hobart Town, 25th June, 1877.

9. Where are Calcutta, Dublin, Formosa, Lisbon, Mauritius, Moscow, Peking, Quebec, Rome, San Francisco, Lake Superior, Vienna?
10. In what countries are the following articles chiefly produced or found?—Tea, coffee, sugar, corn, rice, wine, cotton, wool, gold, silver.

**BOARD OF EDUCATION.**

*Education Office, Hobart Town, 30th June, 1876.*

REGULATIONS FOR EXHIBITIONS FROM PUBLIC TO SUPERIOR SCHOOLS.

It is hereby notified that Six Exhibitions of the annual value of £16 13s. 4d. each, tenable for four years from the 1st July, 1877, will be open for competition, during the month of June next, to Male pupils between the ages of 10 and 12 years who have attended one or other of the Public Schools in Tasmania for the twelve months immediately preceding the 1st June, 1877.

II. It is also notified that Six Exhibitions of the value of £16 13s. 4d., tenable for one year from 1st July, 1877, will be open for competition during the month of June next to Female pupils between the ages of 10 and 12 years who have attended one or other of the Public Schools in Tasmania for the twelve months immediately preceding the 1st June, 1877.\*

III. The Examination will comprise the following subjects:—

1. Reading aloud passages in prose or verse from some English Author.
2. Writing from Dictation.
3. Penmanship.
4. English Grammar and Language.
5. Geography.
6. History.
  - A. English History.—A.D. 1714 to A.D. 1820.
  - B. Sacred History.—From the death of Saul to the death of Ahab.
7. Arithmetic.

IV. The following values have been affixed to the several subjects of Examination:—

	<i>No. of Marks.</i>
Reading .....	75
Dictation .....	100
Penmanship .....	75
English Grammar .....	250
Geography .....	200
History .....	200
Arithmetic .....	300
<b>TOTAL</b> .....	<b>1200</b>

It shall be essential to success that a Candidate gain 50 per cent. of the total number of marks; that is to say, 600 marks.

V. The Exhibitions obtained by Male Candidates will be tenable at one or other of the following Superior Schools as shall be named by the Parent or Guardian, and be approved by the Board; viz.—The High School, Hobart Town; the Hutchins School, Hobart Town; the Church Grammar School, Launceston; and the Horton College, Ross; and Exhibitions obtained by Female Candidates will be tenable at such Schools as may be selected by the Parent or Guardian, and approved by the Board.

VI. A Boarding Allowance of Twenty Pounds per annum, in addition to the amount of the Exhibition, will be granted to Exhibitors whose residence is more than five miles from a Superior School.

VII. The Exhibition will be payable by quarterly instalments to each Exhibitor upon production of a certificate of industry and good conduct from the authorities of the school to which the Exhibitor may belong.

VIII. In the event of the non-production of such certificate for any one quarter, the Exhibition shall be declared vacant: provided always that this rule shall not apply to Exhibitors who may have been incapacitated from attending school by illness or other cause deemed sufficient by the Board.

IX. Arrangements will be made, where practicable, for the local examination of Candidates who may reside at a distance from Hobart Town.

X. Applications† from Candidates desirous of offering themselves for Examination should be transmitted to the Chairman on or before the 1st May, 1877, supported by certificates as under:—

1. Certificate of good conduct for the twelve months immediately preceding the date of application from the Conductor of the School attended by the Candidate.
2. Certified extract from Register of Births, or such other Certificate as shall be deemed sufficient by the Board, showing that the Candidate will not have reached the age of 12 years on the 1st June, 1877.

By Order of the Board,

HENRY BUTLER, *Chairman.*

\* NOTE.—The Board are not in a position to make the Exhibitions for Girls tenable for a longer period than twelve months, until the sanction of Parliament shall have been obtained.

† Printed Forms of Application may be obtained at the Education Office.
