PARLIAMENT OF TASMANIA.

LIBRARY OF PARLIAMENT:

REPORT OF LIBRARIAN.

Presented to both Houses of Parliament by His Excellency's Command.

Library of Parliament, 8th August, 1884.

SIR,

I HAVE the honor to submit the Annual Report on the Library of Parliament.

State of the Books.—The books, generally speaking, are in excellent order, and are arranged as carefully and conveniently as the very limited space at disposal will allow.

Missing Books.—Only six books are reported as “missing” at this date, and, as some of these have been taken from the Library quite recently, they will probably be returned before long.

New Books.—The under-mentioned new books have been purchased since the last meeting of the Committee :—
