- (1) For the purposes of this Act, the value of wages comprising a fringe benefit is to be determined in accordance with the formula –

$$TV \times \frac{1}{1 - \text{FBT rate}}$$

where –

“**TV**” is the value that would be the taxable value of the benefit as a fringe benefit for the purposes of the FBTA Act;

Payroll Tax Act 2008

s. 16

Part 3 – Wages

“FBT rate” is the rate of fringe benefits tax imposed by the FBTA Act that applies when the liability to payroll tax under this Act arises.

- (a) in a return lodged in relation to each of the first 11 months occurring after 30 June in that year, 1/12 of the amount determined in accordance with subsection (2) or that part of that amount as, in accordance with section 10, comprises taxable wages for the year of tax (within the meaning of the FBTA Act) ending on 31 March preceding the commencement of the current financial year; and
 - (b) in the return lodged in relation to the 12th month, the amount determined in accordance with subsection (2) or that part of that amount as, in accordance with section 10, comprises taxable wages for the year of tax (within the meaning of the FBTA Act) ending on 31 March preceding that month, less the total of the amounts of fringe benefits included in the returns for each of the preceding 11 months.
- (2) The amount determined in accordance with this subsection is to be determined in accordance with the formula –

$$AFBA \times \frac{1}{1 - \text{FBT rate}}$$

where –

Payroll Tax Act 2008
Act No. of

s. 16

Part 3 – Wages

“**AFBA**” is the aggregate fringe benefits amount within the meaning of section 136 of the FBT Act;

“**FBT rate**” is the rate of fringe benefits tax imposed by the FBT Act that applies when the liability to payroll tax under this Act arises.

- (3) An election under subsection (1) takes effect when it is notified to the Commissioner in the form approved by the Commissioner.
- (4) After an employer has made an election under subsection (1), the employer must lodge returns containing amounts calculated in accordance with the election unless the Commissioner approves, by notice in writing given to the employer, the termination of the election and allows the employer to include the value referred to in section 15(2)(a).
- (5) If an employer ceases to be liable to pay payroll tax, the value of taxable wages comprising fringe benefits to be included in the employer’s final return is (irrespective of whether or not the employer has made an election under subsection (1)) the value of the fringe benefits paid or payable by the employer for the period commencing on and including the preceding 1 July until the date on which the employer ceases to be liable to payroll tax, less the value of the fringe benefits paid or payable by the employer during that period on which payroll tax has been paid.

Division 3 – Superannuation contributions

17. Wages include superannuation contributions

- (1) For the purposes of this Act, “**wages**” include a superannuation contribution.

Payroll Tax Act 2008
Act No. of

s. 17

Part 3 – Wages

- (iii) a wholly or partly unfunded fund or scheme.
- (3) Setting aside any money or anything that is worth money as, or as part of, a superannuation fund, superannuation guarantee charge or any other form of superannuation, provident or retirement fund or scheme is taken to be paying a superannuation contribution.
- (4) Making a superannuation contribution of anything that is worth money is taken to be paying a superannuation contribution of the amount equal to its value, and its value is to be worked out in accordance with section 43 as if that section referred to the contribution instead of to wages.
- (5) A superannuation, provident or retirement fund or scheme is unfunded to the extent that money paid or payable by an employer in respect of an employee covered by the fund or scheme is not paid or payable during the employee's period of service with the employer.
- (6) In this section –
 - “**employee**” includes any person to whom, by virtue of a paragraph of the definition of “**wages**” in section 13(1), an amount paid or payable in the circumstances referred to in that paragraph constitutes wages.

Division 4 – Shares and options

18. Inclusion of grant of shares and options as wages

- (1) For the purposes of this Act, “**wages**” include the grant of a share or option to an employee by an employer in respect of services performed by the employee.
- (2) Any such wages are taken, for the purpose of the imposition of payroll tax, to be paid or payable on the relevant day.
- (3) For the purposes of this Division, the “**relevant day**” is the day that the employer elects in accordance with this Division to treat as the day on which the wages are paid or payable.
- (4) To avoid doubt, the grant of a share or option is valuable consideration for the purposes of section 46.

19. Choice of relevant day

- (1) The employer can elect to treat as the “**relevant day**” either the date on which the share or option is granted to the employee or the vesting date.
- (2) A share or option is “**granted**” to a person in the following circumstances:
 - (a) in the case of a share, if the person acquires the share (within the meaning of section 139G of the *Income Tax Assessment Act 1936* of the

Payroll Tax Act 2008
Act No. of

s. 20

Part 3 – Wages

Commonwealth) or in the circumstances prescribed by the regulations under this Act;

- (b) in the case of an option, if the person acquires a right (within the meaning of section 139G of the *Income Tax Assessment Act 1936* of the Commonwealth) to the share to which the option relates or in the circumstances prescribed by the regulations under this Act.
- (3) The “**vesting date**” in respect of a share is the date on which the share vests in the employee (that is, when any conditions applying to the grant of the share have been met and the employee’s legal or beneficial interest in the share cannot be rescinded).
- (4) The “**vesting date**” in respect of an option is one of the following dates (whichever happens first):
 - (a) the date on which the share to which the option relates is granted to the employee;
 - (b) the date on which the employee exercises a right under the option to have the share the subject of the option transferred to, allotted to or vest in him or her.

20. Deemed choice of relevant day in special cases

- (1) If an employer grants a share or an option to an employee and the value of the grant of the share

Payroll Tax Act 2008
Act No. of

Part 3 – Wages

s. 21

or option is not included in the taxable wages of the employer for the financial year in which the share or option was granted, the employer is taken to have elected to treat the wages constituted by the grant of that share or option as being paid or payable on the vesting date.

- (2) If an employer grants a share or an option to an employee and the value of the grant of the share or option is nil or, if the employer were to elect to treat the date of grant as the relevant day, the wages constituted by the grant would not be liable to payroll tax, the employer is taken to have elected to treat the wages constituted by the grant of that share or option as being paid or payable on the date on which the share or option was granted.

21. Effect of rescission, cancellation of share or option

- (1) If the grant of a share or option is withdrawn, cancelled or exchanged before the vesting date for any valuable consideration (other than the grant of other shares or options), the following provisions apply:
- (a) the date of withdrawal, cancellation or exchange is taken to be the vesting date of the share or option;
 - (b) the market value of the share or option, on the vesting date, is taken to be the amount of the valuable consideration (and, accordingly, that amount is the

Payroll Tax Act 2008
Act No. of

s. 22

Part 3 – Wages

amount paid or payable as wages on that date).

- (2) If an employer includes the value of a grant of a share or option in the taxable wages of the employer for a financial year and the grant is rescinded because the conditions attaching to the grant were not met, the taxable wages of the employer, in the financial year in which the grant is rescinded, are to be reduced by the value of the grant as previously included in the taxable wages of the employer.
- (3) Subsection (2) does not apply just because an employee fails to exercise an option or to otherwise exercise his or her rights in respect of a share or option.

22. Grant of share pursuant to exercise of option

The grant of the share by an employer does not constitute wages for the purposes of this Act if the employer is required to grant the share as a consequence of the exercise of an option by a person and –

- (a) the grant of the option to the person constitutes wages for the purposes of this Act; or
- (b) the option was granted to the person before 1 July 2008.

23. Value of shares and options

- (1) If the grant of a share or option constitutes wages under this Division, the amount paid or payable as wages is taken, for the purposes of this Act, to be the market value of the share or option (expressed in Australian currency) on the relevant day, less the consideration (if any) paid or given by the employee in respect of the share or option (other than consideration in the form of services performed).
- (2) The market value of a share or option on the relevant day is to be determined in accordance with the Commonwealth income tax provisions.
- (3) For that purpose, the Commonwealth income tax provisions apply with the following modifications, and any other necessary modifications:
 - (a) the market value of an option is to be determined as if it were a right to acquire a share;

Part 3 – Wages

(5) In this section –

“Commonwealth income tax provisions”
means the provisions of Subdivision F of
Division 13A of Part III of the *Income
Tax Assessment Act 1936* of the
Commonwealth.

**24. Inclusion of shares and options granted to directors
as wages**

- (1) For the purposes of this Act, “**wages**” include the grant of a share, or option, by a company to a director of the company by way of remuneration for the appointment or services of the director that would be wages under this Division if the director were an employee of the company.
- (2) For that purpose, the other provisions of this Division apply in respect of any such grant as if a reference to the employer were a reference to the company and a reference to the employee were a reference to the director of the company.
- (3) In this section, a reference to a director of the company includes a reference to the following:
 - (a) a person who, under a contract or other arrangement, is to be appointed as a director of the company;
 - (b) a former director of the company.
- (4) In the case of wages constituted by the grant of a share or option by a company to a director of the company by way of remuneration for the

appointment of the director, but not for services performed –

- (a) the grant of the share or option is taken, for the purposes of this Act, to be paid or payable for services performed during the month in which the relevant day occurs; and
- (b) a reference in this Act to the place or places where services are performed is a reference to the place or places where it may reasonably be expected that the services of the director in respect of the company will be performed.

25. When services considered to have been performed

For the purposes of this Act, if the grant of a share or an option constitutes wages for the purposes of this Act, the services in respect of which those wages are paid or payable are taken to have been performed during the month in which the relevant day occurs.

26. Place where wages are payable

- (1) The wages constituted by the grant of the share or option are taken to be paid or payable in this jurisdiction if the share is a share in a local company or, in the case of an option, an option to acquire shares in a local company.

Payroll Tax Act 2008
Act No. of

s. 27

Part 3 – Wages

- (2) In any other case, the wages constituted by the grant of the share or option are taken to be paid or payable outside this jurisdiction.

Note: If the wages concerned are taken to be payable outside this jurisdiction, because the shares concerned are shares in a company that is not a local company, the grant of the share or option may still be liable to payroll tax under this Act if the grant is made for services performed or rendered wholly or mainly in this jurisdiction (see section 10(1)(b) and (c)).

- (3) In this section –

“local company” means –

- (a) a company incorporated or taken to be incorporated under the *Corporations Act 2001* of the Commonwealth that is taken to be registered in this jurisdiction for the purposes of that Act; or

- (b) an amount paid or payable by a company as a consequence of the termination of the services or office of a director of the company, whether or not paid to the director or to any other person or body, that would be an employment termination payment if that amount had been paid or payable as a consequence of termination of employment; or
- (c) an amount paid or payable by a person who is an employer under a relevant contract (within the meaning of section 32) as a consequence of the termination of the supply of the services of an employee under the contract, whether or not paid to the employee or to any other person, if the amount would be an employment termination payment if that amount had been paid or

- (2) If the accommodation allowance paid or payable to an employee in respect of a night’s absence from the person’s usual place of residence exceeds the exempt rate, “**wages**” include that allowance only to the extent that it exceeds the exempt rate.

Act No. of

s. 31

s. 75

Part 5 – Grouping of Employers

Division 3 – Business groups – tracing of interests in corporations

75. Application

This Division applies for the purposes of section 73 (Groups arising from tracing of interests in corporations).

76. Direct interest

- (1) An entity has a “**direct interest**” in a corporation if –
 - (a) in the case of an entity that is a person, the person can, directly or indirectly, exercise, control the exercise of, or substantially influence the exercise of, the voting power attached to any voting shares issued by the corporation; or
 - (b) in the case of an entity that is 2 or more persons who are associated persons, each of the associated persons can, directly or indirectly, exercise, control the exercise of, or substantially influence the exercise of, the voting power attached to any voting shares issued by the corporation.
- (2) The value of the direct interest of the entity in the corporation is the proportion (expressed as a percentage) of the voting power of all voting shares issued by the corporation that –

Payroll Tax Act 2008
Act No. of

Part 5 – Grouping of Employers

s. 77

-
- (a) in the case of an entity that is a person, the person can directly or indirectly exercise, control the exercise of, or substantially influence the exercise of, as referred to in subsection (1); or
 - (b) in the case of an entity that is 2 or more persons who are associated persons, the associated persons can, if acting together, directly or indirectly exercise, control the exercise of, or substantially influence the exercise of, as referred to in subsection (1).

77. Indirect interest

- (1) An entity has an “**indirect interest**” in a corporation if the corporation is linked to another corporation (the “**directly controlled corporation**”) in which the entity has a direct interest.
- (2) A corporation is linked to a directly controlled corporation if the corporation is part of a chain of corporations –
 - (a) that starts with the directly controlled corporation; and
 - (b) in which a link in the chain is formed if a corporation has a direct interest in the next corporation in the chain.

Payroll Tax Act 2008
Act No. of

s. 77

Part 5 – Grouping of Employers

- (3) The following are examples of how subsections (1) and (2) work (the examples are cumulative):
- (a) corporation A (a directly controlled corporation) has a direct interest in corporation B. Corporations A and B form part of a chain of corporations, and corporation B is linked to corporation A. Accordingly, an entity that has a direct interest in corporation A also has an indirect interest in corporation B;
 - (b) corporation B also has a direct interest in corporation C. In this case, corporations A, B and C form part of a chain of corporations. Both corporations B and C are linked to corporation A. The entity that has a direct interest in corporation A has an indirect interest in both corporations B and C;
 - (c) corporation B also has a direct interest in corporation D. There are now 2 chains of corporations, one consisting of A, B and C, and one consisting of A, B and D. Corporations B, C and D are all linked to corporation A and an entity that has a direct interest in corporation A would have an indirect interest in corporations B, C and D. An entity that has a direct interest in corporation B would have an indirect interest in corporations C and D. However, an entity that has a direct interest in corporation C only would not have an indirect interest in corporation D,

Payroll Tax Act 2008
Act No. of

Part 5 – Grouping of Employers

s. 77

as corporation D is not linked to corporation C.

- (4) The value of the indirect interest of an entity in a corporation (an “**indirectly controlled corporation**”) that is linked to a directly controlled corporation is calculated by multiplying together the following:
- (a) the value of the direct interest of the entity in the directly controlled corporation;
 - (b) the value of each direct interest that forms a link in the chain of corporations by which the indirectly controlled corporation is linked to the directly controlled corporation.
- (5) The following are examples of how subsection (4) works (the examples are cumulative):
- (a) an entity has a direct interest (with a value of 80%) in corporation A. Corporation A has a direct interest (with a value of 70%) in corporation B. The value of the indirect interest of the entity in corporation B is $80\% \times 70\%$ (that is, 56%). Accordingly, in this example the entity has a controlling interest (within the meaning of section 73 (Groups arising from tracing of interests in corporations)) in corporation B;
 - (b) corporation B also has a direct interest (with a value of 40%) in corporation C.

Payroll Tax Act 2008
Act No. of

s. 78

Part 5 – Grouping of Employers

The value of the indirect interest of the entity in corporation C is $80\% \times 70\% \times 40\%$ (that is, 22.4%). Accordingly, in this example the entity does not have a controlling interest in corporation C.

- (6) It is possible for an entity to have more than one indirect interest in a corporation. This may occur if the corporation is linked to more than one corporation in which the entity has a direct interest, or if the corporation is linked to only one corporation in which the entity has a direct interest but is linked through more than one chain of corporations. In that case, the entity has an aggregate interest in the corporation (see section 78 (Aggregation of interests)).

78. Aggregation of interests

- (1) An entity has an “**aggregate interest**” in a corporation if –
- (a) the entity has a direct interest and one or more indirect interests in the corporation;
or
 - (b) the entity has more than one indirect interest in the corporation.
- (2) The value of the aggregate interest of an entity in a corporation is the sum of the following:
- (a) the value of the direct interest (if any) of the entity in the corporation;

Payroll Tax Act 2008
Act No. of

Part 5 – Grouping of Employers

s. 79

- (b) the value of each indirect interest of the entity in the corporation.

(3) For example –

- (a) an entity has a direct interest (with a value of 40%) in corporation B;
- (b) the entity also has a direct interest (with a value of 25%) in corporation A, which in turn has a direct interest (with a value of 60%) in corporation B. Accordingly, the entity also has an indirect interest in corporation B with a value of 15% (that is, 25% x 60%);
- (c) the value of the entity's aggregate interest in corporation B is the sum of the direct interest (40%) and the indirect interest (15%), which is 55%;
- (d) accordingly, in this example, the entity has a controlling interest in corporation B (within the meaning of section 73 (Groups arising from tracing of interests in corporations)).

Division 4 – Miscellaneous

79. Exclusion of persons from groups

- (1) The Commissioner may, by order in writing, determine that a person who would, but for the determination, be a member of a group is not a member of the group.

Payroll Tax Act 2008

Part 5 – Grouping of Employers

- (2) The Commissioner may only make such a determination if satisfied, having regard to the nature and degree of ownership and control of the businesses, the nature of the businesses and any other matters the Commissioner considers relevant, that a business carried on by the person, is carried on independently of, and is not connected with the carrying on of, a business carried on by any other member of that group.
- (3) The Commissioner cannot exclude a person from a group if the person is a body corporate that, by reason of section 50 of the *Corporations Act 2001* of the Commonwealth, is related to another body corporate that is a member of that group.
- (4) This section extends to a group constituted by reason of section 74 (Smaller groups subsumed by larger groups).
- (5) A determination can be expressed to take effect on a date that is earlier than the date of the determination.
- (6) The Commissioner may by order in writing revoke a determination that applies in respect of a person if satisfied that the circumstances in which a determination may be made do not apply to the person.
- (7) The revocation of a determination can be expressed to take effect on a date that is earlier than the date of the determination.

80. Designated group employers

- (1) The members of a group may, with the approval of the Commissioner, designate a qualified member of the group to be the designated group employer for the group for the purposes of this Act.
- (2) A member of a group is a qualified member if the member –
 - (a) has paid during the preceding financial year wages that exceeded \$1 010 000; or
 - (b) is likely to pay during the current financial year wages that are likely to exceed that amount.
- (3) If none of the members of a group is a qualified member but the members together –
 - (a) have paid during the preceding financial year wages that exceeded \$1 010 000; or
 - (b) are, in the opinion of the Commissioner, likely to pay during the current financial year wages that will exceed that amount –

the members may, with the approval of the Commissioner, designate any member of the group to be the designated group employer for the group for the purposes of this Act.
- (4) If the members of a group do not designate a member as the designated group employer within 7 days after the end of the month in which

Payroll Tax Act 2008
Act No. of

s. 81

Part 5 – Grouping of Employers

the group is established, the Commissioner may (but is not obliged to) designate any member of the group as the designated group employer.

- (5) The designated group employer of a group stops being the designated group employer from and including the earlier of the following days:
 - (a) the first day of a return period during which there is a change in the membership of the group;
 - (b) the first day of a return period during which the members of the group revoke the designation.
- (6) The designation of a designated group employer under subsection (1) or (3) must be by notice in writing.
- (7) Such a notice must –
 - (a) be executed by or on behalf of each member of the group; and
 - (b) be served on the Commissioner.

81. Joint and several liability

- (1) If a member of a group fails to pay an amount that the member is required to pay under this Act in respect of any period, every member of the group is liable jointly and severally to pay that amount to the Commissioner.

Payroll Tax Act 2008
Act No. of

Part 5 – Grouping of Employers

s. 81

-
- (2) If 2 or more persons are jointly or severally liable to pay an amount under this section, the Commissioner may recover the whole of the amount from them, or any of them, or any one of them.
 - (3) If, under this section, 2 or more persons are jointly and severally liable to pay an amount that is payable by any one of them, each person is also jointly and severally liable to pay –
 - (a) any amount payable to the Commissioner under this or any other Act in relation to that amount, including any interest and penalty tax; and
 - (b) any costs and expenses incurred in relation to the recovery of that amount that the Commissioner is entitled to recover from any such person.
 - (4) A person who pays an amount in accordance with the liability imposed by this section has such rights of contribution or indemnity from the other person or persons as are just.
 - (5) This section applies whether or not the person was an employer during the relevant period.

PART 6 – ADJUSTMENTS OF TAX

82. Determination of correct amount of payroll tax

- (1) For the purposes of this Part, the “**correct amount of payroll tax**” payable by an employer in respect of a financial year is the amount determined in accordance with Schedule 1 in respect of that financial year.
- (2) This Part applies in respect of payroll tax paid or payable whether as a group employer or as an individual employer.
- (3) If an employer is liable for payroll tax both as an individual employer and as a group employer (for different periods in the same financial year) separate adjustments are to be made under this Part in respect of any period as a group employer and any period as an individual employer (and for that purpose separate determinations of the correct amount of payroll tax payable by the employer are to be made).
- (4) In this Part –

 “**group employer**” means an employer who is a member of a group;

 “**individual employer**” means an employer who is not a member of a group.

Payroll Tax Act 2008
Act No. of

Part 6 – Adjustments of Tax

s. 83

83. Annual adjustment of payroll tax

- (1) If the amount of payroll tax paid or payable by an employer when the employer made the returns relating to a financial year is greater than the correct amount of payroll tax payable by the employer in respect of the financial year, the Commissioner (on application by the employer) is to refund to that employer an amount equal to the difference.
- (2) If the amount of payroll tax paid or payable by an employer when the employer made the returns relating to a financial year is less than the correct amount of payroll tax payable by the employer in respect of the financial year, the employer must pay to the Commissioner as payroll tax an amount equal to the difference.
- (3) Any amount payable by an employer under this section in respect of a financial year must be paid within the period during which the employer is required to lodge a return under this Act in respect of the return period that is or includes the month of June in that financial year.
- (4) The amount of any refund payable to an employer in respect of a financial year under this section is to be reduced by the amount of any other refund of payroll tax made in respect of that financial year to that employer (whether under this section or otherwise) before the time of the refund under this section.

Payroll Tax Act 2008
Act No. of

s. 84

Part 6 – Adjustments of Tax

84. Adjustment of payroll tax when employer changes circumstances

- (1) If an employer changes their circumstances during a financial year, the employer must, if the amount of payroll tax paid or payable by the employer when the employer made returns relating to the relevant period prior to the change of circumstances is less than the correct amount of payroll tax payable by the employer in respect of the financial year, pay to the Commissioner as payroll tax an amount equal to the difference.
- (2) A “**change of circumstances**” occurs when the employer –
 - (a) ceases to pay or be liable to pay taxable wages and interstate wages; or
 - (b) becomes a group employer (following a period as an individual employer); or
 - (c) ceases to be a group employer (and becomes an individual employer).
- (3) The “**relevant period**” prior to a change of circumstances is the period prior to the change (during the financial year concerned and since any prior change of circumstances) for which the employer paid or was liable to pay taxable wages or interstate wages.
- (4) In calculating for the purposes of this section the correct amount of payroll tax payable by the employer, it is to be assumed that the wages paid or payable by the employer during the relevant

Payroll Tax Act 2008
Act No. of

Part 6 – Adjustments of Tax

s. 85

period are the only wages paid or payable by the employer during the financial year concerned.

- (5) Any amount payable by an employer under this section in respect of a relevant period must be paid within the period during which the employer is required to lodge a return under this Act relating to that relevant period or the last return under this Act relating to the relevant period.
- (6) Any payroll tax paid or payable by an employer under this section is to be included as payroll tax paid or payable by the employer for the purposes of the annual adjustment of payroll tax under this Part.

Note: If an employer ceases to be a group employer during a financial year an adjustment will be made under this section. If later in that financial year the employer ceases to pay wages there will be a further adjustment under this section. The first adjustment will adjust payroll tax paid for the period as a group employer against the correct amount of tax that should have been paid (based on the assumption that the period as a group employer is the only period for which the employer paid wages throughout the year). The second adjustment will adjust payroll tax paid for the period as an individual employer against the correct amount of tax that should have been paid (based on the assumption that the period as an individual employer is the only period for which the employer paid wages throughout the year). Any amount of payroll tax paid under this section is taken into account for the purposes of the annual adjustment of payroll tax.

85. Special provision where wages fluctuate

If a person who did not pay and was not liable to pay taxable wages or interstate wages for any part of a financial year satisfies the Commissioner that, by reason of the nature of

Payroll Tax Act 2008
Act No. of

s. 85

Part 6 – Adjustments of Tax

the person's trade or business, the taxable wages and interstate wages, if any, paid or payable by the person fluctuate with different periods of the financial year, the Commissioner may determine that the person is to be treated for the purposes of this Part –

- (a) if the person has conducted that trade or business in Australia during the whole of the financial year, as an employer who pays or is liable to pay taxable wages throughout the financial year; or
- (b) if the person has conducted that trade or business in Australia during part only of the financial year, as an employer who pays or is liable to pay taxable wages throughout that last-mentioned part of the financial year.

Note: The effect of such a determination is that when the correct amount of payroll tax is calculated (for the purposes of a tax adjustment provided for by this Part) the employer may receive the benefit of the payroll tax threshold for the period for which the employer is to be treated as paying wages, and not just for the period for which the employer actually pays wages. Without such a determination, an employer may only receive the benefit of a proportion of the threshold amount that is equivalent to the proportion of the whole financial year for which the employer actually pays wages.

PART 7 – REGISTRATION AND RETURNS

86. Registration

- (1) An employer who is not already registered must apply for registration as an employer under this Act if –
 - (a) during a month the employer pays or is liable to pay, anywhere, wages of more than \$19 423 per week that are wholly or partly taxable wages; or
 - (b) the employer is a member of a group the members of which together during a month pay or are liable to pay, anywhere, wages of more than \$19 423 per week that are wholly or partly taxable wages.
- (2) The application for registration is to be made to the Commissioner in a form and manner approved by the Commissioner within 7 days after the end of the month concerned.
- (3) The Commissioner is to register the applicant as an employer under this Act.
- (4) The Commissioner may cancel the registration of a person as an employer if satisfied that the person has ceased to pay or to have a liability to pay wages as described in subsection (1).
- (5) If the Commissioner cancels the registration of a person as an employer in any financial year and that person subsequently pays or is liable to pay taxable wages during that financial year the

Payroll Tax Act 2008
Act No. of

s. 87

Part 7 – Registration and Returns

person may, despite the fact that the person is not required to apply for registration, apply to the Commissioner (in a form and manner approved by the Commissioner) for registration as an employer, and the Commissioner is then to register the person as an employer under this Act.

87. Returns

- (1) Every employer who is registered or required to apply for registration as an employer under this Act must –
 - (a) within 7 days after the end of each month except June, lodge with the Commissioner a return relating to that month; and
 - (b) within 21 days after the end of June in each year, lodge with the Commissioner a return relating to that month and to the adjustment of payroll tax paid or payable by the employer during the financial year ending on the close of that month.
- (2) The designated group employer for a group may, with the approval of the Commissioner, lodge a joint return for the purposes of this section covering specified members of the group (including the designated group employer).
- (3) If a joint return is lodged and the return would, if lodged by a single employer, comply with this section, each of the employers covered by the

Payroll Tax Act 2008

Part 7 – Registration and Returns

s. 87

return is taken to have complied with this section.

- (4) Subject to any amendment of the assessment by the Commissioner or by the Supreme Court, the assessment so made is conclusive evidence of the indebtedness of the deceased to the Commissioner.
- (5) However, if probate of the will or letters of administration of the estate of the deceased is or are granted to a person after the assessment is first published, that person may, within 60 days after the date of the grant, lodge an objection in accordance with Division 1 of Part 10 of the *Taxation Administration Act 1997*.

If an employer selects the continuous recording method for the purposes of determining the number of business kilometres travelled during the financial year, the following details are required to be recorded by the employer:

- (a) the odometer readings at the beginning and end of each business journey undertaken by the person during a financial year by means of a motor vehicle provided or maintained by the person;
- (b) the specific purpose for which each such business journey was taken;

- (c) the distance travelled by the person during the financial year in the course of all such business journeys (which is taken to be the “**number of business kilometres travelled during the financial year**”), calculated on the basis of the odometer readings referred to in paragraph (a).

14. Averaging method

- (1) If an employer selects the averaging method for the purposes of determining the number of business kilometres travelled during the financial year, the following details are required to be recorded by the employer:

- (a) the odometer readings at the beginning and end of each business journey undertaken by the person during the relevant 12-week period by means of a motor vehicle provided or maintained by the person;

Note: Clause 15 defines the relevant 12-week period.

- (h) the distance travelled by each such vehicle during the financial year, calculated on the basis of the odometer readings referred to in paragraph (g);
- (i) the distance travelled by the person in the course of business journeys undertaken by means of each such vehicle during the financial year (which is taken to be the “**number of business kilometres**”);

travelled during the financial year”), calculated on the basis that the percentage of that distance that was travelled by the person in the course of business journeys undertaken by means of each such vehicle during the financial year is the same as the relevant percentage.

- (2) For the next succeeding 4 financial years after the first financial year in which odometer details are recorded in accordance with subclause (1), an employer is not required to calculate the relevant percentage, or record the details referred to in subclause (1)(a) – (f), for the person but is required to record the other details referred to in that subclause.
- (3) Accordingly, for the next succeeding 4 financial years after the first financial year in which odometer details are recorded in accordance with subclause (1), the number of business kilometres travelled during the financial year is to be calculated (as referred to in subclause (1)(i)) on the basis of the relevant percentage calculated for the first financial year.

- to in subclause (1)(a) – (f) for that financial year; or

- (5) In a situation referred to in subclause (4), the new record for the financial year replaces the relevant percentage details previously recorded and subclauses (2) and (3) apply in relation to the new record for the financial year as if it were the first financial year in which odometer details were recorded.
- (6) An employer who has adopted and employed the method of recording referred to in subclauses (2) and (3) for a person for 4 successive financial years must, in the next succeeding financial year, make a fresh recording of all the details specified in subclause (1) if the employer intends to continue to use the same method of recording for the person. Subclauses (2) and (3) then apply in relation to the new record for the financial year as if it were the first financial year in which odometer details were recorded.
- (7) If the odometer of a motor vehicle is replaced or recalibrated during any period for which its readings are relevant for the purposes of this clause, the odometer readings immediately before and after the replacement or recalibration are to be recorded.

15. Meaning of relevant 12-week period

- (1) In clause 14, “**relevant 12-week period**” means a continuous period of at least 12 weeks, selected by the employer, throughout which a motor vehicle is provided or maintained by a person. If the motor vehicle is provided or maintained for less than 12 weeks, the period must be the entire period for which the motor vehicle is provided or maintained.
- (2) The period may overlap the start or end of the financial year, so long as it includes part of the year.
- (3) If the averaging method is used for 2 or more motor vehicles for the same financial year, the odometer readings for those motor vehicles must cover periods that are concurrent.

16. Replacing one motor vehicle with another motor vehicle

- (1) For the purposes of using the averaging method, an employer may nominate one motor vehicle as having replaced another motor vehicle with effect from a day specified in the nomination.
- (2) After the nomination takes effect, the replacement motor vehicle is treated as the original motor vehicle, and the original motor vehicle is treated as a different motor vehicle. An employer need not repeat for the replacement vehicle the steps already taken for the original motor vehicle.

Payroll Tax Act 2008
Act No. of

sch. 1

- (3) An employer must record the nomination in writing in the financial year in which the nomination takes effect.
- (4) However, the Commissioner may allow an employer to record the nomination at a later time.

17. Changing method or recording

- (1) An employer may change from using the averaging method to using the continuous recording method with effect from the beginning of a financial year if the employer complies with clause 13 in respect of the financial year.
- (2) An employer may change from using the continuous recording method to using the averaging method with effect from the beginning of a financial year if the employer complies with clause 14 in respect of the financial year.

18. Definition

In this Part –

“**business journey**” means –

- (a) a journey undertaken in a motor vehicle by a person otherwise than in the application of the vehicle to a private use, being an application that, if the person is paid a motor vehicle allowance

Payroll Tax Act 2008
Act No. of

for that use, results in the provision of a fringe benefit (within the meaning of the FBT Act) by the employer; or

- (b) a journey undertaken in a motor vehicle by a person in the course of producing assessable income of the person (within the meaning of the *Income Tax Assessment Act 1936* of the Commonwealth).

Sections 8 and 100

PART 1 – INTRODUCTION

1. Introduction to Schedule

This Schedule sets out provisions that apply only in this jurisdiction.

PART 2 – CALCULATION OF PAYROLL TAX

2. Calculation by reference to return period

The amount of payroll tax that an employer is required to pay in respect of taxable wages paid or payable by the employer in a financial year or a part of a financial year is a proportion (equivalent to the ratio of the number of days to which the return relates to the number of days in the financial year) of the payroll tax that would be payable by the employer for the whole of that year.

3. Amount payable for whole of financial year

For the purposes of this Part, the payroll tax that would be payable by an employer for the whole of a financial year is to be ascertained on the basis of the following assumptions:

- (a) the assumption that the employer pays or is liable to pay taxable wages for the whole of the financial year;
- (b) the assumption that the total amount of taxable wages paid or payable by the employer during the financial year is a multiple (equivalent to the ratio of the number of days in the financial year to the number of days to which the return relates) of the taxable wages paid or payable by the employer during the period to which the return relates.

PART 3 – EXEMPTIONS

Division 1 – Education and training

4. Schools and colleges

Wages are exempt wages if they are paid or payable by a school or college (other than a technical school or a technical college) that –

- (a) provides education at or below, but not above, the secondary level of education; and
- (b) is carried on by a body corporate, society or association otherwise than for the purpose of profit or gain to the individual members of the body corporate, society or association and is not carried on by or on behalf of the State of Tasmania.

5. Exemption for non-profit group apprenticeship and traineeship schemes

Wages are exempt wages if they are paid or payable to an employee who is employed –

- (a) by a non-profit organisation that is a training organisation registered under section 31 of the *Vocational Education and Training Act 1994*; and

 - (b) employees of that subcontractor (referred to in this Part as the “**relevant employees**”) are engaged in carrying out the work; and

- (2) If, at the end of the period of 60 days after the end of a financial year, any payroll tax payable by the subcontractor in respect of wages paid or payable to the relevant employees during the financial year for work done in connection with the contract has not been paid, the principal contractor is jointly and severally liable with the subcontractor for the payment of the payroll tax.
- (3) Section 56 of the *Taxation Administration Act 1997* (subsection (3) excepted) applies to an amount payable under this clause.

Note: Section 55 of the *Taxation Administration Act 1997* provides that the amount of tax payable may be recovered by the Commissioner as a debt due to the Crown. Section 56 of the *Taxation Administration Act 1997* provides that, if parties are jointly and severally liable for the payment of an amount under a taxation law, the Commissioner may recover the amount payable from any of the parties. It also provides for the recovery of interest, penalty tax and costs from the parties who are jointly and severally liable for the payment of the tax.

12. Written statement relieves principal contractor of liability

- (1) The principal contractor is not liable under this Part for the payment of any payroll tax payable in respect of wages paid or payable to the relevant employees during a period if the principal contractor has been given a written statement by the subcontractor in respect of that period.

- (5) The principal contractor may withhold any payment due to the subcontractor under the contract until the subcontractor gives a written statement under this clause for any period up to the date of the statement. Any penalty for late payment under the contract does not apply to any payment withheld under this subclause.
- (6) The written statement is not effective to relieve the principal contractor of liability under this Part if the principal contractor had, when given the statement, reason to believe it was false.

- (2) To avoid doubt, this Part extends to a principal contractor who is the owner or occupier of a building for the carrying out of work in connection with the building so long as the building is owned or occupied by the principal contractor in connection with a business undertaking of the principal contractor.

PART 6 – MISCELLANEOUS

15. Exemption from lodging returns

- (1) If the Commissioner is of the opinion that tax will not be payable by an employer, or, if paid, would be refunded, the Commissioner may issue a certificate to that employer exempting the employer from lodging monthly returns in accordance with section 87 and any employer to whom such a certificate is issued may refrain from lodging monthly returns but must, unless the contrary is expressed in the certificate, lodge a return relating to each financial year within 21 days after the close of that financial year.
- (2) A certificate issued under this clause may be either unconditional or subject to such conditions as are prescribed by the regulations or as the Commissioner thinks fit.
- (3) The Commissioner may, at any time, by notice in writing, revoke any certificate issued under this clause.
- (4) The issue of a certificate under this clause does not exempt an employer from the payment of any payroll tax, despite the fact that it may have the effect of postponing the time for payment of any payroll tax.

16. Further returns

The Commissioner may, by notice in writing, call upon any employer or person to lodge,

Payroll Tax Act 2008

- (2) Despite its repeal, the old Act continues to apply to payroll tax on taxable wages (within the meaning of the old Act) paid or payable before 1 July 2008.
- (3) The *Taxation Administration Act 1997*, as in force immediately before 1 July 2008, continues to apply on and after that day in respect of any matter to which the old Act continues to apply on and after that day.

4. Superannuation contributions relating to pre-1 July 1997 service

- (1) Despite anything in section 11 or 17, **“wages”** do not include a superannuation contribution paid or payable in respect of services performed by an employee before 1 July 1997.

- (2) A superannuation contribution that is alleged by an employer to be paid in respect of services performed by an employee before 1 July 1997 must be evidenced to the satisfaction of the Commissioner in the employer's records for payroll tax purposes.
- (3) In particular, the employer's records must show the manner of calculation of the contribution and any actuarial basis for it.
- (4) For the purposes of subclause (3) and of any assessment of payroll tax to which that subclause is material, the certificate of a fellow or accredited member of the Institute of Actuaries of Australia to the effect that the actuarial basis on which an amount is calculated is justified is evidence and, in the absence of evidence to the contrary, proof of that fact.
- (5) If records are not kept as required by this clause, the Commissioner is entitled to assume that a payment of money by an employer as a superannuation contribution on or after 1 July 1997 is an amount payable in respect of services performed by an employee on or after that day.

5. Superannuation payments not readily related to particular employees

For the purposes of an assessment of payroll tax, the Commissioner may determine –

Payroll Tax Act 2008
Act No. of

- (b) the portion of any monetary or non-monetary contribution paid by an employer as a superannuation contribution to a wholly or partly unfunded fund or scheme, being money paid in respect of an employee (or that is to be regarded under paragraph (a) to have been so paid) who performed services to the employer on or after, as well as before, 1 July 1997, that is to be regarded as having been paid in respect of services performed before that date.

6. Employment agents

A written statement given under section 2AB(3) of the old Act that was in force immediately before 1 July 2008 remains in force on and after that day for the purposes of this Act as if it were a declaration given under section 40(2) of this Act.

7. Registration of employers

An employer who was registered under section 12 of the old Act immediately before 1 July 2008 is taken, on and after that day, to be registered under section 86 of this Act.

8. Agreements to reduce or avoid payroll tax

Sections 42 and 47 extend to an agreement, transaction or arrangement entered into before the commencement of those sections.

9. Recovery of payroll tax from principal contractors

10. General saving

Any act, matter or thing that had effect under or for the purposes of a provision of the old Act, or a provision of another Act repealed by this Act, immediately before the repeal of the provision continues to have effect under or for the purposes of the corresponding provision of this Act, subject to any other provision of this Part or the regulations under this Part.
