Notices of Motion

22 Ms Finlay to move—That the House:—

- (1) Recognises the importance of small business to the Tasmanian economy, and particularly to regional Tasmania.
- (2) Acknowledges the continued impact the COVID-19 pandemic is having on the ability of hardworking small business operators to sustain their business.
- (3) Notes Tasmanian workers are not eligible for the Federal Government's COVID-19 Disaster Payment, despite thousands of Tasmanian workers having their livelihoods affected by border closures and health orders in other jurisdictions.
- (4) Further acknowledges the Tasmanian Government, in partnership with the Federal Government, has launched the Border Closure Critical Support Grants program to support businesses impacted by ongoing border restrictions.
- (5) Further notes sole traders with turnover under \$50,000 are not eligible for the program.
- (6) Further recognises the program does not support sole traders like Mr Paul Lewis who operates an independent taxi licence in Perth and as a result of boarder restrictions has lost almost 80% of his taxi income and is struggling to support himself and his family.
- (7) Calls on the Government to:—
 - (a) reconsider eligibility for the grant for sole traders like Mr Paul Lewis; and
 - (b) advocate at National Cabinet for a disaster payment to be made available to all workers affected by the pandemic, regardless of the State or Territory in which they reside. (25 August 2021)

23 The Attorney-General to move—That the House:—

- (1) Notes that this Government is committed to ensuring Tasmania's prison system is well staffed to ensure the safety of prisoners, staff and the community.
- (2) Agrees that this Government has sped up the pace of recruiting Correctional Officers since coming to government and is recruiting those officers at a rate not seen before.
- (3) Further notes that this Government has employed more than 215 extra Correctional Officers in our prison system since 2016, including 79 in 2020 alone despite COVID-19, and has at least two more recruitment courses planned for 2021, with the first of those already underway.
- (4) Further notes that the Tasmania Prison Service is currently running a national intensive recruitment campaign to continue to attract additional Correctional Officers.
- (5) Calls on all Members of Parliament to support our hard-working Tasmania Prison Service staff for the work they do under challenging circumstances. (25 August 2021)

NOTICES OF MOTION AND ORDERS

- 24** The Attorney-General to move—That the House:—
- (1) Notes that this Government is committed to ensuring effective rehabilitation and reintegration services are available to all prisoners.
 - (2) Further notes that suggestions that no Alcohol and other Drug services are being provided across the Tasmanian Prison Service are false and that, in fact, services currently being offered in the prison have improved.
 - (3) Further notes that this Government has specifically committed to providing almost \$2.5 million in additional funding to reduce reoffending and increase rehabilitation in Tasmania through new partnerships to deliver increased therapeutic support and programs in prison.
 - (4) Agrees that the Tasmania Prison Service is actually expanding the number of Alcohol and other Drug programs being delivered. (25 August 2021)
- 25** The Minister for Primary Industries and Water to move—That the House:—
- (1) Recognises that the majority Liberal Government remains committed to protecting Tasmanian workers and businesses ensuring they can lawfully go to work without threats and disruptions from extremist protesters.
 - (2) Notes, that the Liberals have always stood firm in fighting for the rights of Tasmanians to work and earn a living for their families.
 - (3) Further notes, that Tasmanians have had enough of the radical extremists invading workplaces, threatening and endangering staff.
 - (4) Further notes, that the Workplace Protection Amendment Bill, will be released for public consultation over coming weeks.
 - (5) Acknowledges that the Workplace Amendment Bill will reflect the Government's commitment to protect both Tasmanians' right to work and the right to free speech.
 - (6) Further notes that this Bill is Labor's chance to show their support for Tasmanian workers. (25 August 2021)
- 26** The Minister for Primary Industries and Water to move—That the House:—
- (1) Recognises that the official opening of the Morven Park Recreational Ground change rooms and amenities occurred on 24 July 2021.
 - (2) Notes that I was honoured to represent the Premier in celebrating the opening of this wonderful project for the Evandale community and beyond.
 - (3) Further notes that Morven Park Recreational Ground is home to the Evandale Football Club and the Evandale Panthers Cricket Club.
 - (4) Acknowledges the Tasmanian Government who has provided \$588,300 over the past few years towards upgrading Morven Park which, along with contributions from AFL Tasmania and the Northern Midlands Council, has contributed to these inclusive facilities and to accommodate for junior, female and all abilities participation.
 - (5) Further recognises that sport and recreation plays an important role in Tasmania's recovery from COVID-19 due to its physical and mental health, community and economic benefits.
 - (6) Congratulates Evandale Football Club President, Patrick Davey, Evandale Cricket Club President Peter Johnstone and all those involved in the project and wish every participant at these grounds success into the future. (25 August 2021)
- 27** The Minister for Primary Industries and Water to move—That the House:—
- (1) Recognises the continuing achievements of Sprout Tasmania in supporting and representing small-scale farmers and start up growers, and contributing to the Tasmanian Government's target to grow the annual farmgate value of agriculture to \$10 billion by 2050.
 - (2) Notes that Sprout Tasmania was established in 2011, and provides on-farm and off-farm training and education to equip small-scale farmers with the practical skills needed to establish sustainable and profitable enterprises.
 - (3) Congratulates Sprout Tasmania on their recent 10 year anniversary, which I was pleased to celebrate along with supporting businesses and members of the Sprout community at their anniversary event at Brickendon Estate on 5 August 2021.
 - (4) Acknowledges Sprout Tasmania CEO Jennifer Robinson and Chair Justin Birchmoore for their ongoing commitment and dedication to Sprout Tasmania, as well

NOTICES OF MOTION AND ORDERS

acknowledging the achievements of small-scale producers in Tasmania over the past decade.

- (5) Further recognises that the Tasmanian Government is a strong supporter of Sprout Tasmania, and that Sprout Tasmania has received government funding to support:—
 - (a) delivery of the annual Sprout Producers Program which provides professional development for small-scale Tasmanian producers;
 - (b) delivery of the Tasmanian Small-Scale Producer Survey and collection of state-wide data on the small-scale farming sector; and
 - (c) delivery of a state-wide project to support resilience, growth, efficiency and sustainability of the small-scale farming sector in Tasmania through online education and engagement.
- (6) Further notes that Sprout Tasmania's core training and professional development activity - its Sprout Producer Program - is currently open to applications, and that this provides a one-year accreditation and professional development program for small Tasmanian producers. (25 August 2021)

28 The Minister for Primary Industries and Water to move—That the House:—

- (1) Notes that the Tasmanian Government welcomes the decision by the Federal Minister for the Environment, Hon. Sussan Ley MP, to not emergency National Heritage list the Tarkine, as requested by the Bob Brown Foundation (BBF).
- (2) Further notes that this attempt by the BBF to lock up 440,000 hectares of the Tarkine has been rejected by Minister Ley as it is already 'appropriately protected'.
- (3) Further notes, not only does Tasmania have a world-leading system of Reserves but that the Tarkine stands as a prime example of sustainable multiple land-use management, where recreation, conservation, resource utilisation and tourism have co-existed successfully for generations.
- (4) Acknowledges that the mining and forestry sectors supports over 8,000 jobs in North-West Tasmania, contributing approximately \$1.6 billion in direct gross revenue, and over \$650 million in value added, per annum, and state-wide makes a significant contribution to Tasmania with a \$3.5 billion contribution in direct gross revenue to the State's economy overall.
- (5) Further notes these industries are also the lifeblood of many of our regional towns, including Rosebery where the current mine has operated continuously for 85 years.
- (6) Further notes this decision follows the recent failed attempt by the BBF to challenge the legality of Tasmania's Regional Forestry Agreement at the Federal and High Courts. (26 August 2021)

29 The Minister for Veterans' Affairs to move—That the House:—

- (1) Recognises that 18 August 2021, was Vietnam Veterans Day, an annual day of remembrance for those who served during the Vietnam War.
- (2) Notes that this day, originally known as Long Tan Day, commemorates the day in 1966 when the battle of Long Tan was fought by the men of D Company, 6th Battalion, the Royal Australian Regiment (6RAR).
- (3) Further notes that this day, first commemorated in 1969 with the raising of a cross at the battlefield by the men of 6RAR, has since been adopted to cover all veterans who served in the Vietnam War—the longest conflict in Australia's history.
- (4) Pays tribute to the almost 60,000 Australians who served in Vietnam between May 1962 and April 1975, including 521 who paid the ultimate price and more than 3,000 who were wounded.
- (5) Acknowledges the service of the approximately 1,800 Tasmanians who served in Vietnam, including 17 who died in their country's service.
- (6) Further notes commemorative service and wreath-laying ceremonies were held across Tasmania to mark the event, and thanks all the members of the Vietnam Veterans Association of Australia (VVAA) Tasmania, including State President Terry Roe, for their efforts in supporting Vietnam veterans across the State over the years.
