Notices of Motion

47 Ms *Haddad* to move—That the House:—

- (1) Notes the Gutwein Liberal Government seems intent on pushing ahead with their proposal to build a fifth lane on the Southern outlet despite community opposition and serious questions about whether it will do anything at all to improve traffic congestion.
- (2) Acknowledges that during the 2021 State election, candidates for Clark including now Liberal Member for Clark, Ms Madeleine Ogilvie MP, attended a meeting with residents of Dynnyrne to listen to their concerns.
- (3) Recognises that the Gutwein Liberal Government's plan for a fifth lane on the Southern outlet will require the demolition of homes and the acquisition of land from the yards of properties bordering the highway.
- (4) Further notes that a Parliamentary E-petition calling for the Government to scrap the project and look instead at practical alternative solutions has already gathered more than 2,470 signatures.
- (5) Agrees that the Gutwein Liberal Government should abandon their current proposal for a fifth lane on the outlet due to the lack of evidence it will ease traffic congestion and look instead at practical alternative solutions. (26 October 2021)
