Subject: Inquiry into the new sporting and event stadium in Hobart
Date: Thursday, 12 January 2023 9:52:42 AM

Hello,

Acknowledging that there may not be enough resources available to read all submissions in full I will keep mine succinct.

- I do not support the building of a sporting and event stadium at Macquarie Point.
- I do not support a Tasmanian AFL team.
- I do support the improvement of event and sporting venues that are sensitive to societal needs, cost, culture and environment.

I don't think I need to point out how these funds could be better spent as this information is widely understood.

Regards,
Antony Lucas
