TASMANIA

HOUSE OF ASSEMBLY

SESSION OF 2025 - 2026

(FIRST SESSION OF THE FIFTY-SECOND PARLIAMENT)

NOTICES OF MOTION AND ORDERS OF THE DAY

No. 55

TUESDAY, 17 NOVEMBER 2026

(At 10:00 o'clock a.m.)

Notices of Motion tabled prior to 28 October are published in the Motion Paper.

166 Mr *Bayley* to move—That the House:—

(1) Notes:—

(a) the important role the Tasmanian Museum and Art Gallery (TMAG) has long-played in preserving and presenting Tasmania's historic, cultural, artistic and scientific legacy, including:—

(i) the responsibility for an estimated one million objects that represents the State Collection;

(ii) operating the Herbarium and Zoology Department, both critical to scientific research and the implementation of important statutory responsibilities, such as biosecurity;

(iii) educating and inspiring generations of young Tasmanians; and

(iv) contributing to the local and state economy.

(b) that TMAG has clear legal responsibilities to preserve and present the State Collection that it must meet.

(2) Acknowledges the commitment of TMAG staff to meet these responsibilities and that inadequate funding has made this difficult for many years.

(3) Highlights existing challenges with TMAG infrastructure, including leaking roofs.

(4) Condemns further cuts to TMAG staffing and the Tasmanian Government's ham-fisted and arrogant approach to communication and consultation.

(5) Congratulates the Friends of TMAG, the Community and Public Sector Union, colleague institutions globally and the Tasmanian public for strongly objecting to the cuts and raising concerns about the implications for TMAG being able to meet its legal responsibilities.

(6) Calls on the Tasmanian Government to:—

(a) maintain existing staffing levels and positions to allow TMAG to meet its legal responsibilities and the expectations of the public; and

(b) invest in TMAG's buildings to ensure they are fit-for-purpose and respectfully preserved for future generations. (28 October 2026)

167 Mr *Bayley* to move—That the House:—

(1) Notes the Government's promise to Tasmanians, including Legislative Council Members to secure their vote for the Macquarie Point Stadium Order, to cap state spending on the project at $875 million.

(2) Acknowledges this promise was made based on an estimate developed before the conflict in the Middle East drove up construction prices.

(3) Further notes:—

(a) repeated requests from Members of Parliament for the Government to acknowledge stadium construction costs will have increased as a result of the Middle East conflict and other supply chain challenges;

(b) the Government's refusal to be transparent about these rising costs; and

(c) in recent days, the Macquarie Point Development Corporation (MPDC) has flagged the Middle East conflict as a contributor to a likely higher construction cost for the stadium.

(4) Recognises that the MPDC expects to present updated costings to the Government this year as it finalises a construction contract with its preferred tenderer.

(5) Calls on the Government to:—

(a) keep its funding promise to Tasmanians and their Parliament, including Members of the Legislative Council who voted for the stadium following the written assurance that no more than $875 million of state public funding would be spent on the project; and

(b) seek the approval of both Houses of Parliament before the MPDC signs any contract for the stadium's construction which is above the promised state expenditure cap. (28 October 2026)

168 Ms *Badger* to move—That the House:—

(1) Acknowledges that Tasmania's National Parks and Wilderness World Heritage Area are of globally outstanding universal significance and are to be protected for generations to come.

(2) Recognises the heavy lifting our Parks and Wildlife Service do to protect our natural and cultural heritage with insufficient funding, and that further funding cuts, resulting in the removal of key professional conservation roles, will further restrict the Service's capacity to fulfil its statutory obligations in regard to nature conservation and land management.

(3) Notes that:—

(a) the Tyndall Range Next Iconic Walk is budgeted at $40+ million;

(b) $100,000 has been allocated for a consultant to investigate public land to facilitate a private 'wellness' centre in the north, and that there is another Expression of Interest (EOI) process for a privately run centre at Hastings Caves; and

(c) the Liberals' EOI process has been operating for 12 years, but despite costing the taxpayer millions, creating much community angst and garnering international scrutiny, only nine EOI projects have started commercial operations.

(4) Calls on the Government to, in the 2027-2028 Budget:—

(a) shelve the Tyndall Range Next Iconic Walk;

(b) abandon both the Privatise the Parks and 'wellness' centre EOI processes; and

(c) reallocate the funding from those projects into the Parks and Wildlife Service to secure jobs and properly fund the organisation, ensuring it can undertake all core land and appropriate visitor management functions. (29 October 2026)
