1890.

PARLIAMENT OF TASMANIA.

LAND TAX DEPARTMENT:

REPORT FOR 1889.

Presented to both Houses of Parliament by His Excellency's Command...

Office of Taxes, Hobart, 24th June, 1890.

SIR,

I HAVE the honor to submit the following Returns (Nos. 1 to 7) explanatory of the work of the Department for the year 1889 :—

1. Return showing the number of items subject to Real Estate Duty, and amount of rateable value of properties in each District for the years 1884, 1885, 1886, 1887, and 1888, and the number of items and capital value of properties in each District for the year 1889.
2. Return showing the total number of items subject to Real Estate Duty, and amount of Real Estate Duty, for each District for the year 1887, the amount of Duty collected, and remaining due, on the 31st December, 1889.
3. Return showing the total number of items subject to Real Estate Duty, and amount of Real Estate Duty, for each District for the year 1888, the amount of Duty collected, and remaining due, on the 31st December, 1889.
4. Return showing the total number of items subject to Land Tax, and amount of Land Tax, for each District for the year 1889, the amount of Tax collected, and remaining due on the 31st December, 1889.
5. Return showing the total number of items and amount of Rural Police Rate for each District for the year 1887, the amount of Police Rate collected, and remaining due, on the 31st December, 1889.
6. Return showing the total number of items and amount of Rural Police Rate for each District for the year 1888, the amount of Police Rate collected, and remaining due, on the 31st December, 1889.
7. Return showing the total number of items and amount of Rural Police Rate for each District for the year 1889, the amount of Police Rate collected, and remaining due, on the 31st December, 1889.

An examination of Return No. 1 shows that the *capital* values of properties in the different Districts for the year 1889 varies from 17½ (George Town) to 34½ (Franklin) years' purchase of the rateable (annual) value for 1888, which seems to show the different bases on which the rateable values were calculated in the different Districts.

In this comparison I have left out the Cities of Hobart and Launceston, the suburban Districts, and the Districts of Port Sorell and Ringarooma, in which the capital values would be principally increased by new buildings, improvements, or new settlements.

The accounts for the year 1887 have been closed, as the whole of the recoverable items shown to be due in the Report for 1888 have been paid since that date.

The recoverable items of Real Estate Duty and Rural Police Rate for the year 1888 shown to be due on the 31st December have nearly all been since collected, and the accounts will be shortly closed.

The recoverable items of the outstanding amounts of Rural Police Rate and Land Tax for the year 1889 shown to be due by Returns Nos. 4 and 7, have been nearly all collected. The amounts now due are inconsiderable, and legal proceedings have been taken for their recovery.

The collection of the Land Tax has been considerably facilitated by Clause 5 of "The Land Tax Act, 1888," making it payable by the owner, and by Clause 46, providing for due notice being given of any change in the ownership of properties.

Clause 8 of "The Land Tax Amendment Act, 1889," enabling the owners of property to apply to the Commissioner to reassess the capital value of such property, has not been largely availed of; but the necessity of preparing a supplement to the Assessment Book of each District, showing the changes in the ownership and assessments of properties, has imposed a large amount of extra work on the Department. As the notices can be given up to the 30th June, considerable delay will be caused by the preparation of the supplements and the necessity of holding Appeal Courts in each District.

I have the honor to be,
Sir,

Your obedient Servant,

The Honorable the Treasurer.

FRANCIS BUTLER, *Commissioner.*
